CAMP Sriranganandal
Date, 8th March 1917.

To
His Excellency The Governor-in-Council,
FORT SAINT GEORGE,
MADRAS.

The humble petition of Kasivasi Chockalinga
Thambiran Avl., Atheenakartha, Tiruppanandal
Mutt, Tiruppanandal Village, Kumbakonam
Taluk, Tanjore District.

MOST RESPECTFULLY SHOWETH:—

The petitioner is the Atheenakartha (head) of Thiruppanandal Mutt, and the spiritual head of a very large number of disciples scattered all over India, and owns large estates dedicated to charity.

The petitioner as such owns lands bearing Survey No. 1717 in the town of Srirangam.

The said Survey number consists of a bangalow (a Mutt) wherein the petitioner and his disciples and retinue lodge whenever they go on pilgrimage to worship at Srirangam.

The petitioner is conducting charities in the temples of Srirangam, Thiruvanaikaval, and other places and also owns large landed estates near the town of Srirangam for conducting charities.

Though the affairs of the mutt in connection with the said charities in the Trichinopoly District, are conducted through the Agent, the petitioner as the spiritual Gurn of a large section of people in the Trichinopoly District and the administrator of the charities, has occasionally to camp there for various purposes. His retinue generally consists of about 125 disciples and servants, besides elephants, horses, bullocks, carts, palanquins etc. Not only the petitioner but the heads of other mutts like Dharmapuram, Thiruvavaduthurai, have also to camp here as there is no other separate place in Srirangam suitable for them and the Matathipathies cannot for obvious reasons go into private dwellings even should such be available.

The compound with the bangalow is hardly sufficient to accommodate all the retinue comfortably. The whole area consists of only acres 1-56, and it cannot be disputed that this is too small an area for the use of the large retinue which usually follows the Matathipathi. It should also be conceded that in a place which governed by Municipal law, arrangements for the accommodation of a retinue should be complete in themselves without encroaching in the least on common places set apart for public use.

The petitioner has been served with a notice dated 6-2-17 by the Revenue Inspector of Srirangam calling upon him to appear before the said Revenue Inspector to show cause why 26, 152 sq. ft. or = 60 of the land included in the Survey No. 1717 should not be acquired for the purposes of the High School which is situated nearby.

The petitioner submits that the acquisition of the said plot, which forms a big slice of the compound will cause great inconvenience and hardship to the petitioner and the mutt and his disciples and that he can ill-afford to spare it.

And, whenever the petitioner and other Pandarasannadies and disciples of the various religious mutts should go to Srirangam, they will find their stay highly inconvenient and almost impossible owing to the reduction in the area available for occupation.

It may be pointed out that on previous occasions when attempts were made to acquire this plot the petitioner's predecessors in office preferred objections to such a step that the authorities upheld the objection and refused to take proceedings under the Land Acquisition Act with respect to the land.

The petitioner submits that it is impossible for him, having regard to the situation of the premises, to acquire, by way of compensating the loss of the ~~place~~ if it is decided to acquire it, any additional land in the vicinity so as to make it a part of this present premises the only means of rendering the premises useful as residence of the several Pandarasannadies and disciples who congregate there on occasions.

The petitioner therefore submits that for the reasons set forth above it is absolutely necessary that the mutt should have all the parcel of land included in the Survey number.

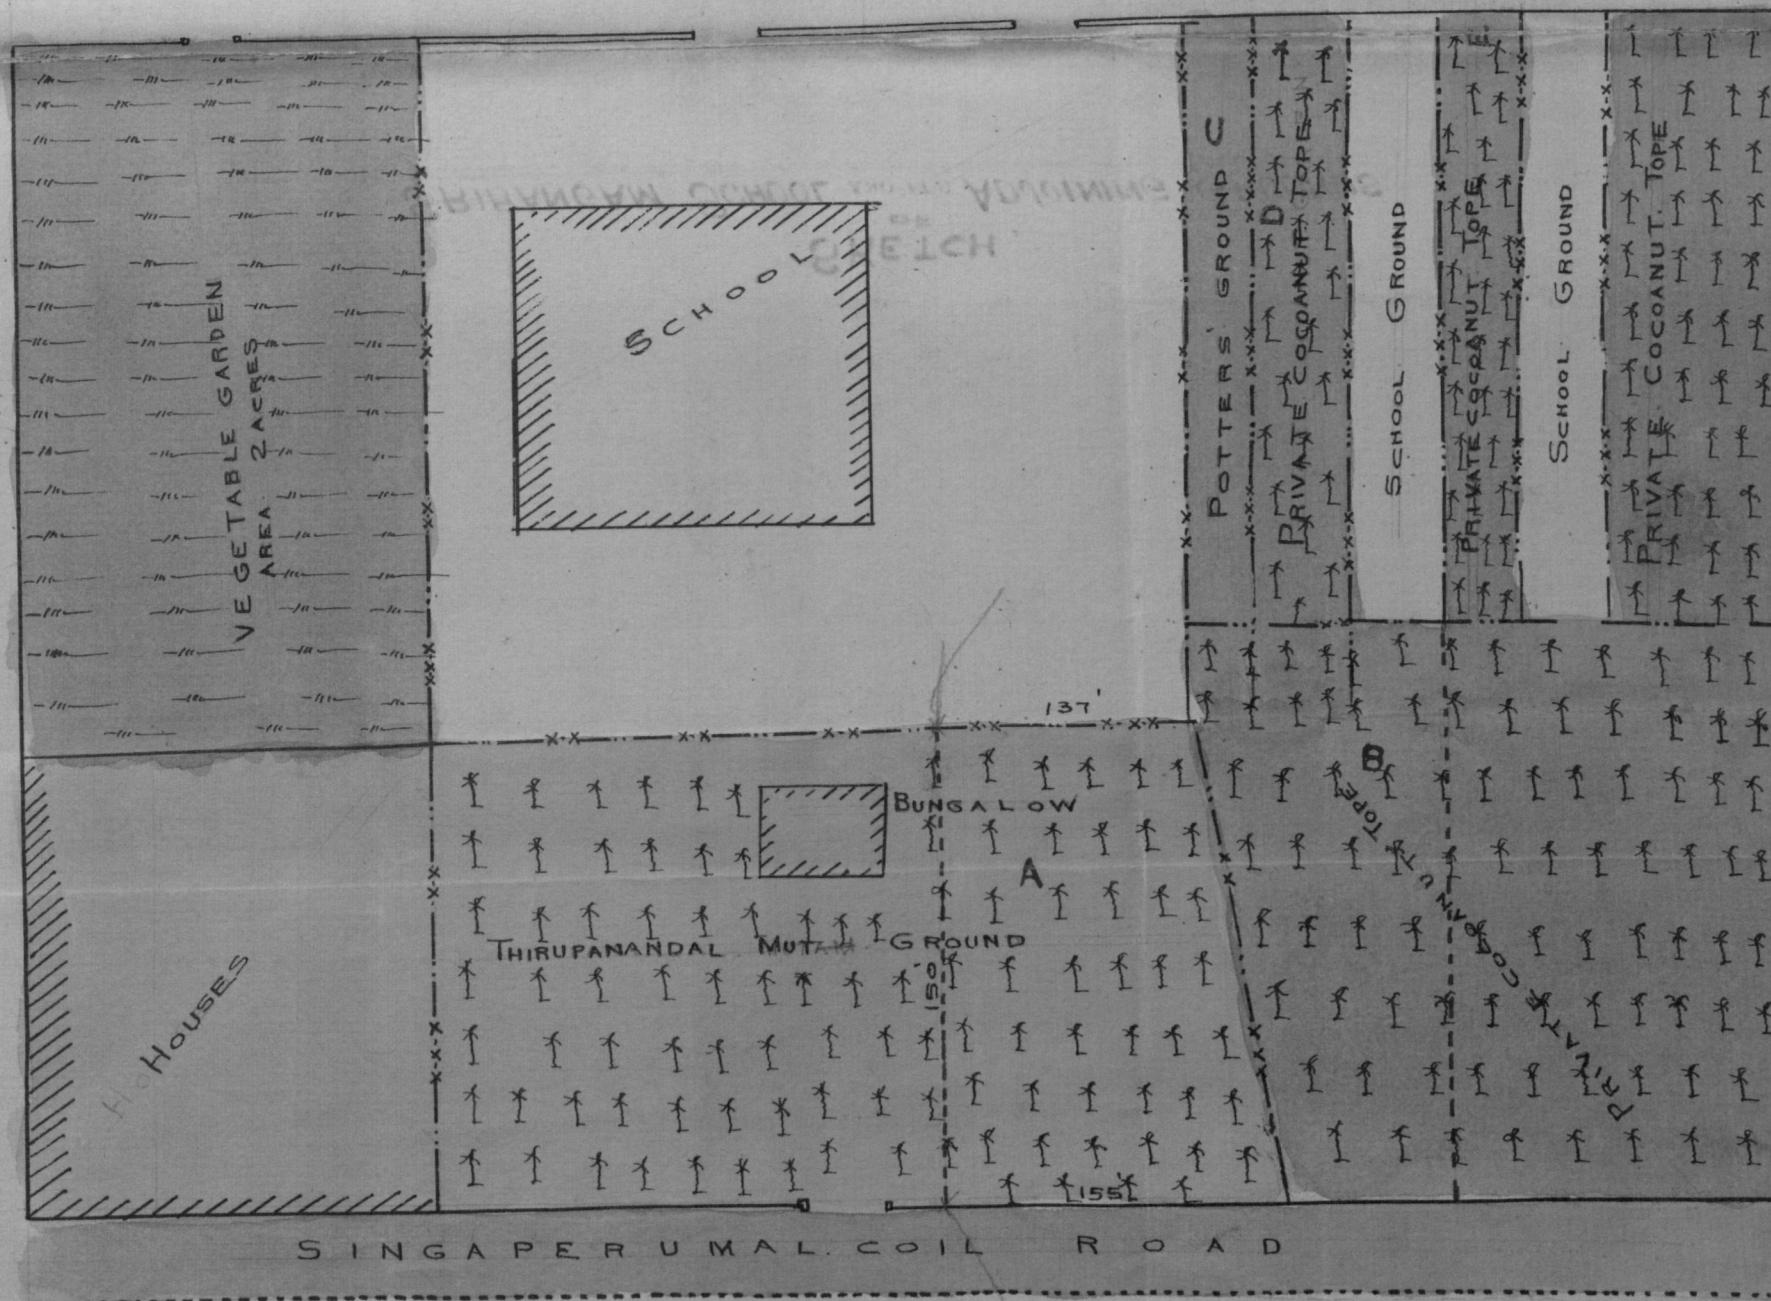

The petitioner submits that there are lands to the west and east of the said school which can be acquired for the purposes of the institution without causing any inconvenience to the owners of the said lands. And the said lands can more profitably be used as adjuncts to the institution than the site sought to be acquired. The acquisition of a portion of the petitioner's compound is not therefore necessary for the purposes which the school have in view while it will cause serious injury to the petitioner's property and render it useless for the purposes for which it is intended.

Having regard to the circumstances detailed above, the petitioner submits that to avoid inconvenience to him and his disciples and loss to the charities of the mutt, which are being conducted from a long time, the Government may be pleased to cancel the order proposing to acquire 60 of the mutt land in Survey No. 1717 in Srirangam belonging to the petitioner and direct other lands adjacent to and more suited for the purposes of the institution being acquired, for which act of kindness, the petitioner and the disciples of the mutt will be ever grateful.

A rough sketch of the land and its surroundings is enclosed for perusal.

Sir,

Adverting to G.O.No.1185, dated 14th November 1916 re: the acquisition of land required by the High School at Srirangam for extending the play ground and to Government Endorsement No. 1152-1, dated 10th March 1917 forwarding for remarks the petition of His Holiness Kasivasi Chokkalinga Tambiran Avargal Athinakartha Tiruppanandal, I have the honour to submit herewith the draft declaration for the acquisition of the land for approval and publication in the Fort Saint George Gazette and to report as follows:-

2. The land applied for lies in T.S.Nos.1717, 2205 and

2211 to 2217 of 2nd ward of Srirangam Municipality and is covered by Title Deed No.1027 and measures 2.18 acres. These survey fields are unenfranchised religious service inam whose melvaram right belongs to Sri Ranganadaswami Temple. The kudivaramdars are 15 in number and their names are noted in the margin a. and her sons 13 to 15 have been returned undelivered by the Post Office. The written consent of all these above individuals may therefore be dispensed with.

3. No.1 His Holiness Kasivasi Chokkalinga Tambiran of Tirupanandal Mutt strongly objects to the acquisition of the land on the ground that the bungalow (a mutt) with its compound is very necessary for him whenever he goes on pilgrimage and camps at Srirangam in connection with the administration of his charities and that if a portion is acquired, the Mutt premises would become useless and insufficient for his purpose. The Revenue Divisional Officer, Trichinopoly who inspected the site states that only 60 cents out of 1.56 acres in T.S. No.1717 are proposed to be taken up, that there is no house or building in this portion but there is a building in the other portion of the field not proposed to be acquired, that the remaining vacant land and the building on it which is 96 cents is more than sufficient for the purposes of the Mutt. He further adds that the extent of 60 cents now required is not at all needed for the full and unimpaired use of the Mutt buildings, that the existing building is also rapidly

deteriorating

deteriorating and that his enquiries in Srirangam go to show that His Holiness never camped in Srirangam for the past 25 or 30 years and that even if he does so in the future there is nearly one acre of land for him and his retinue to occupy which can on no account be said to be inadequate. Thus in the above circumstances I am of opinion that His Holiness's objection may be overruled.

4. As regards the value of the lands, the Revenue Divisional Officer, Trichinopoly reports that the amount of compensation is estimated at Rs.5094-3-5 which includes the 15% allowance for compulsory acquisition. His estimate is fair and may be accepted.

5. The petition and the plan received from Government with their endorsement dated 10th March 1917 are resubmitted herewith.

I have the honour to be,

Sir,

Your most obedient servant,

For Collector.

his letter on pp 4-5 of the G.O., stated
that the Jampiran of the mutt will

Dear Sir,

There is a proposal to acquire a portion of the compound of the premises used by me and other Matathi-

pathis in Srirangam, for the extension of the compound of the Srirangam High School. I have today put in a petition, raising objections to its acquisition and I enclose a copy of it.

It will be seen therefrom that the proposed acquisition will cause serious damage to the property and will render the latter absolutely useless for the purpose for which it is intended.

I need hardly submit that the head of a mutt of my standing and the cause which he represents are entitled to as much consideration as the school itself, and that the plot which it is proposed to acquire is not at all absolutely

necessary for the purposes of the school, other lands equally well situated, if not better, being available.

So I humbly request that you will be good enough to place my prayer before His Excellency and obtain His Excellency's orders, cancelling the acquisition.

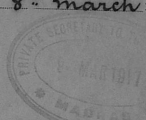

Hoping to be excused for the
