(Designation) Director of Public Instruction,
MADRAS.

To The Secretary to the Government of Madras,
HOME (EDUCATION) Department.

/Through the Accountant-General, Madras/.

Sir,

The Inspector of Schools, VII Circle, represented
to me that the salaries of certain Supervisors in his
Circle who are stationed at places where there are no
branches of the Government treasury are at present being
remitted to them by Postal Money Order by the Sub-Assis-
tant Inspectors concerned, that in doing so the Money
Order Commission is being deducted from the pay of the
Supervisors in question and that this is felt to be a
hardship especially as their salary is low. He therefore

suggested to me the desirability of meeting the expenditure from the allotment for contingencies for the offices of Sub-Assistant Inspectors. Thereupon I circularised the other Inspectors so as to ascertain the practice obtaining in this regard in their respective Circles. From the replies received I gather that while the procedure adopted varies with each Circle all the officers are of opinion that the salaries of such Supervisors as have their headquarters where there is no Government Treasury or a branch thereof may be sent by Postal Money Order, the expenditure on Money Order Commission being met out of the provision for contingencies for Sub-Assistant Inspectors who at present draw the salaries, etc., of the former. If the Officers' opinion is accepted, there would be 32 Supervisors to whom the concession will have to be granted and the expenditure on Money Order Commission would approximately amount to Rs.200 per annum. My own view is that the expenditure may be reckoned a legitimate charge on the fixed contingent allotment of the Supervisors which is at present drawn along with their pay. To do this requires the sanction of Government and I therefore have the honour to request that Government will be pleased to issue a ruling to the effect that the salaries, etc., of Supervisors of Elementary Schools may be remitted to them by Money Order when there is no treasury at their Headquarters and that the expenditure on Money Order Commission may be met out of fixed contingencies of these Officers.

I have the honour to be,

Sir,

Your most obedient Servant,

RA Arivu.
