Station Dated the 13th December 1917.

From (Name) The Hon. L. L. L. Stone, M.A., F.R.S., C.I.E.,

(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,

Home (Education) Department.

Through the Accountant-General, Fort Saint George.

Sir,

I have the honour to address Government on the subject of raising the pay of persons employed in the Government Elementary Schools for girls, training schools for mistresses and the Government Lower Elementary Training Schools for Masters.

2. In August 1916 the Inspector of Girls' Schools, Southern Circle, remarked that the salary of Rs. 5/- per mensem which had been sanctioned years ago for persons employed in Government Girls' Schools was very low and inadequate considering the gradual increase in the cost of living that had taken place in recent years as the result

Genl Secy

of adverse seasons and the consequent dearth of provisions and recommended a corresponding increase in their salary. In November of that year the Inspectress of Girls' Schools, Central Circle, also recommended that the pay of peons in girls' schools should be raised to Rs. 8/- per mensem as many peons complained of the low salary of Rs. 5/- per mensem and resigned their posts. But I refrained from addressing Government till now in the hope that their case might be considered in connection with the question of raising the minimum pay of Government servants in view to the abolition of Grain Compensation Allowance. For a similar reason the proposal of the Inspector of European and Training Schools to raise the minimum pay of peons in Government Lower Elementary Training Schools from Rs. 6/- to Rs. 7/- per mensem was allowed to ~~lie over~~ lie over. But as it is understood that the question of enhancing the pay of posts hitherto declared eligible for Grain Compensation Allowance is not to be taken up for consideration for the present at any rate and as there have been frequent requests from subordinate officers for improving the status of these peons owing to the difficulty of recruiting suitable men for such posts, I have ventured to address Government on the subject now. It is an anomaly that when peons of other offices in the mofussil get generally Rs. 7/- those employed in Government Girls' Schools and in Lower Elementary Training Schools alone should be paid less. I beg therefore to propose that the pay of the peons referred to above be raised to a uniform rate of Rs. 7/- per mensem irrespective of the question of Grain Compensation allowance. *If it is ruled that grain compensation allowance should be withdrawn from these posts the pay should in my opinion be raised further to Rs. 8/- per mensem.*

3. I ~~submit~~ herewith a list of the institutions affected by the proposals made above ~~and~~ with particulars as to the present scale of pay of the posts of peons attached to them.

4. I beg to request that the sanction, if accorded, may have effect from 1st March 1918 and that the additional cost involved amounting to Rs. 2,112/- per ~~mensem~~ ^{annum} may be included in the next year's budget estimates.

I have the honour to be,

Sir,

Your most obedient servant,

G. Krishnaswami

For Director of Public Instruction.

2. The present scale in the list of institutions ^{affected} ~~affected~~ by the Director of Public Instruction's proposal has been checked and found correct.

3. There is no audit objection to the proposal involving Rs. 2,112/- per annum or Rs. 3,312/- per annum according to the alternative proposal referred to in paragraph 2 of the Director of Public Instruction's letter, being sanctioned by Government.

4. Necessary provision will be included in the budget estimate for 1918-19 if orders of Government in the Financial Department are issued to that effect.

Submitted that the D.P.D. has made out a case for the revision of the salaries of the menials employed in the institutions specified by him. It is, however, observed with reference to the concluding portion of para. 2 of the Director's current letter that the Financial Department invariably insists on grain compensation allowance being withdrawn and that consequently the pay of the peon may be raised to Rs 8 as proposed by the D.P.D. ^{this proposal is estimated to cost Rs 3,312} ~~the present rate of Rs 5 per annum against Rs 2112 calculated at Rs 7 each p.w.~~

2. A draft order is submitted. If approved, it may be forwarded to the Financial Dept. for acceptance.

The present rate of Rs 5 per mensem is not a living wage. The difficulty of recruiting & retaining peons at that rate justifies urgent action in the matter. The two peons on Rs 9 each at the Karantakkangudi & Chidambaram Training Schools for mistresses may continue to be on that scale. The pay of others may

be raised to Rs. 8. Draft approved

What is the grain compensation allowed to these peons? or 60s on 50s?

(2) When other peons in the same establishment get Rs. 9, why should two peons alone get Rs. 9? Previous papers

The grain compensation allowance to the peons is Rs. 1-8-0 or Re 1 according to locality - cf. G.O.

No. 815 dated 2.12.17.

2. The ^(pay of the) peons in the Karantallangudi school was fixed at Rs. 9 in lieu of the grain compensation allowance of Rs. 1-8-0 while the pay of the peons in the Cuddalore school was fixed at Rs. 9 and pay Rs. 7-0-0. Please see G.O. No. 1233 dated
