(Designation) President, Taluk Board, Madanapalle.

To The Secretary to the Government of Madras,
Department.

Through

Sir,

The President, District Board,
Chittoor.

I have the honour to state that Government were pleased to sanction in their Order No. 26 dated 6th January 1917 an annual recurring expenditure of Rs.380/- for the Sugalee School at Naramakulapalle near Madanapalle, recently opened with the aid of a Provincial subsidy. Of this a sum of Rs.150/- represents the cost of a shed for the school. Vide Government Memo No. 5860-1-L., dated 11th December 1915.

2. Naramakulapalle is not a village. It is a collection of temporary huts raised by the Sugalees on the top of a hill far removed from any village of ordinary

caste Hindus and hence the Board School teacher cannot find accommodation there. It is therefore absolutely necessary for the Taluk Board to provide him with accommodation.

DIRECTOR OF PUBLIC INSTRUCTION 26 OCT 1917 MADRAS.

3. The District Board Engineer who was requested to send an estimate for two huts of 30'x 10' each one for the School and the other for the Teacher's residence has forwarded an estimate for Rs.500/- for the two sheds.

4. The amount already sanctioned by Government for the shed being only Rs.150/- is insufficient for the purpose and the Taluk Board also is unable to find any money from its funds to bear the additional cost of Rs.350/-.

5. I have the honour to request therefore that you will be so good as to obtain the orders of Government sanctioning an additional sum of Rs.350/- for the purpose referred to herein.

6. In this connection I may point out that the amount Rs.380/- sanctioned as recurring annual expenditure is unnecessary. The amount actually required annually will not exceed Rs.150/- for the present.

I have the honour to be,

Sir,

Your most obedient servant.

(I) In G.Os. No 26 Home (Edn) dated 6th January 1917 and No

(P) 1104 Home (Edn) dated 29th August 1917 a total subsidy of Rs 560 has been sanctioned ~~towards~~ for the school for Siegalees opened by the Madanapalle Taluk Board. The expenditure on maintenance and equipment of the school in 1916-17 and 1917-18 is not likely to exceed Rs 300 as shown in the margin. There will thus be a saving of about Rs 260 out of the subsidy which can ~~now~~ well be utilised for the construction of the sheds for the accommodation of the school and its teacher. The additional grant required for the work will then be about Rs 240 and not Rs 350 as stated by the P. Y. B, Madanapalle. The P. D. B, Chittoor, is requested to ascertain and report the exact amount required for the construction of the sheds over and above the savings available from the subsidy already sanctioned.

~~Sir~~, Through The Director of Public Instruction,
MADRAS.

Sir,

With reference to Memorandum No.6853-1 L., dated the 29th November 1917 requesting me to ascertain and report the exact amount required for the construction of sheds for the Sugali school at Naramakulapalle, I have the --- honour to report that figures now furnished by the President, Taluk Board, Madanapalle show that no additional -- grant will be required for the purpose.

2. The President, Taluk Board, Madanapalle reports that the actual expenditure to the end of the year 1917 is -- Rs.103-9-1 and expects to have savings at the end of the financial year of about Rs.420 out of the total subsidy of

of Rs.560 sanctioned for the school. He suggests that the savings may be used for the construction of the sheds, and the balance of about Rs.80 required to make up their estimated cost met from anticipated savings from the educational subsidy available under other heads. In these circumstances the President, Taluk Board solicits the sanction of the --- Government to the re-appropriation of a sum of Rs.500 from the grant for the maintenance of schools to the grant for the constructione of school buildings and I support his request.

,, 3438 A. From the D.P.I. N.R.C. No. 9091, dated the 8th November 1917.

In G.Os No. 26, Edn. dated 6th January 1917, ~~and~~ No. 1104, dated the 29th August 1917, a total subsidy of Rs. 560 has been sanctioned towards the school for Sugalees opened by the Madanapalle Taluk Board.

2. The expenditure on maintenance and equipment of the school in 1916-17 and 1917-18 may be estimated as follows :-

Equipment ..	Rs. 85
Maintenance in 1916-17 (3 months' charges) at Rs. 11/- a month	Rs. 33
-do- in 1917-18	Rs. 132
Total	Rs. 250

A provision is made for contingencies to the extent of Rs. 50 ~~Rs. 300~~

3. Thus a saving of Rs. ~~310~~ 260 is available for the construction of the proposed sheds (cost Rs. 500). The additional amount required is Rs. 500 - ~~310~~ 260 = Rs. ~~190~~ 240 nearly. The President, Taluk Board, however applies for an additional subsidy of Rs. 350.

4. It is submitted that the L & M. dept. may be asked to explain the above position to the Taluk Board and to ascertain the exact amount required for the construction of the sheds over and above the savings available from the ~~subsidiary~~ subsidy of Rs. 560 already sanctioned.
