Exemption.

Declining to sanction the 1- from the examination rules of
 Muhammad Ibrahim Lodi, head light-house keeper, Negapatam, with a view
 to his employment in the Salt Abkari Customs Department.

To

The Secretary to the Government,
Educational Department,

M A D R A S.

Through

The Proper Channel.

Sir,

The humble petition of Muhammad Ibrahim Lodi, Head Light
House keeper at Negapatam, most respectfully sheweth.

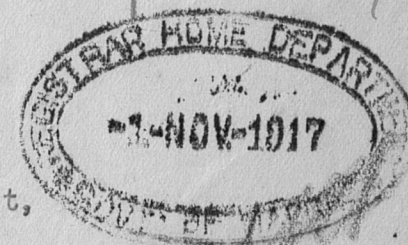

1 Petitioner begs to submit that he has put in a service
of 8 years in his present employ and has earned the good will
of all his superiors, having given them satisfaction in the
performance of his duties.

2 Petitioner finding no scope of bettering his prospects
in his present capacity, applied personally to C.W.E. Cotton
Esqr., I.C.S. for the post of a Sub-Inspector in the Customs
Department, and petitioner was informed that he would be offered
an appointment as soon as he had passed the required tests to
qualify him for the said post.

3 Petitioner accordingly strove hard and prepared for
the examination and when about to apply for same he was informed
he could not be allowed to appear unless he was exempted by
Government, being an unpassed candidate.

4 Petitioner is a Mohomedan by caste and belongs to a
respectable family, he is an energetic and hard working young
man and may confidently state that he possesses more knowledge
practically than a passed candidate.

5 Petitioner now draws Rs.25 per mensem permanent
and has a large family to support, but as his father prospects

of betterment are blasted by being prevented ^{from} appearing for the examination and qualifying himself, petitioner begs to submit that he is left in a great predicament.

6 Petitioner has studied up to the matriculation, but unfortunately did not come off successfully and being pressed by pecuniary difficulties has been unable to further prosecute his studies.

7 With the view to clear up the difficulties which debar the petitioner from bettering his prospects under circumstances explained, petitioner begs very respectfully to request that the honourable Government may be graciously pleased to kindly grant him general exemption from passing the examination rules in his case, being a Mohammedan.

Negapatam,

27th October, 1917.

Petitioner begs to remain,

Most honoured Sir,

Your most obedient servant,

Reference.

In reply to Government endorsement No.1496 B-2, dated 10th December 1917, which has been forwarded for remarks, an application, endorsed by the Presidency Port Officer, of one Muhammad Ibrahim Lodi, Head Light House Keeper, Negapatam, for permanent exemption from the examination rules with a view to his employment as Sub Inspector in the Salt, Abkari and Customs Department, the Board begs to submit that repeated applications for the same concession have been received from this individual and that the Collector of Customs in March 1916 registered his name for appointment provided he passed the special

10 tests for the Salt, Abkari and Customs Department.

2 The Board has no difficulty in obtaining qualified candidates for the post of Sub Inspectors and has no special recommendation to make on behalf of Muhammad Ibrahim Lodi. If the Officers of the Port Department think him qualified for promotion to higher pay than he is now drawing, it would seem desirable that they should endeavour to provide for him themselves. The Salt Department has already far too many unpassed candidates among the Sub Inspectors and they are generally not found by any means satisfactory.

Subject:- Exemption from the provisions of Art. 1 of the Public Service Notice

Vide vol. 2 of
 app. on p. 4 c. f.

The exemption asked for is apparently from the provisions of Art. 1 of the Public Service Notice. But as the post aspired to say the applicant is that of a Sub-inspector in the Salt, Akari and Lewstons Dept: the application should directly speaking have come to the Board of Revenue. Otherwise there is an opportunity for the Govt. to know about the candidate's suitability for app: in the Salt, Akari & Lewstons Dept. For orders whether the petitioner may be informed that in the absence of the recommendation of the appointing authority in the Salt, Akari & ^(Lewstons) Dept: Govt: are not prepared to consider the application.

I have no objection to exempt as he is drawing Rs 25' already & is recommended. But Sep Rev will have to remark as the applicant wishes to qualify specifically for a post in the Customs

This department does not know anything of the applicant and if Home (Edy)

has no objection, they may be requested to refer to the correspondence to the Board of Revenue. It is for the Board to report whether the applicant will be appointed a Sub. Inspector if the exemption asked for is granted. If he will not get the place, it seems hardly necessary for Govt. to raise hopes in him by granting him exemption.
