Department.

Sir, /Through the Accountant-General, Madras/.

I have the honour to address Government on the subject of granting a personal allowance of Rs.12 per mensem to M.R.Ry. T. Vaidyanatha Ayyar, Head Clerk in the office of the Inspector of European and Training Schools.

2.

In my letter R. C. No.7517/13 dated 11th May 1914

I recommended that the pay of the post be raised from

Rs.50-2-60 to Rs.60-4-80. But Government in their order

No.1360 Educational, dated 3rd December 1914 observed that

sufficient reasons had not been adduced in support of the proposal. Since then successive Inspectors have urged that at least the present incumbent of the post of Head Clerk, M.R.Ry. T. Vaidyanatha Ayyar, should be encouraged by the grant of a personal allowance. Mr. Hart, the acting Inspector of European and Training Schools (on leave) stated that during the last two years the work of his office had grown very heavy owing to the exercise of the powers delegated to the Inspector from time to time and that, although his Head Clerk gets the same pay as that of Head Clerks in the offices of Circle Inspectors, he has greater responsibilities and more work to do than the latter in as much as he is the ministerial head of a larger office establishment, has work of a varied nature connected with three different sections - European, Training and Teachers' Certificate - and involving a thorough knowledge of the different codes. It has further been brought to notice that the Clerk is invested with the responsibilities regarding the conduct of the

Rs.4,25,000 which are countersigned by the Inspector. I beg also to add that M.R.Ry. T. Vaidyanatha Ayyar has acquitted himself creditably in various capacities in the clerical branch, has been managing the office of the Inspector of European and Training Schools successfully for the past eight years, is 50 years old, has put in over 29 years' service in the Department and has been in receipt of a pay of Rs.60 per mensem from 1st June 1911. Being a Matriculate, he has no prospects of promotion to the Upper Section of my office which is reserved mainly for graduates. His case is thus peculiarly hard and seems to deserve the sympathetic consideration of Government. The

simplest way of alleviating his grievance is, as Mr. Hart recommends, the grant to him of a personal allowance of Rs.20 per mensem. I strongly support the Inspector's recommendation, but as under the Government of India Resolution No.358 E.A. dated 31st August 1912, the amount of a personal allowance should not, except for very special reasons, exceed 20% of the officer's pay, I beg to request that the proposed allowance be fixed at Rs.12 per mensem. I further request that the proposal may, if sanctioned, have effect from 1st March 1918 and that the necessary provision may be included in the next year's budget.

I have the honour to be,

Sir,

Your most obedient Servant,

for Director of Public Instruction.

2. There is no audit objection to the proposal being sanctioned, the allowance being treated as Compensatory Personal allowance under Rule 2 II of Appendix B (B) in the Madras Supplement to the Civil Service Regulations.

3. Necessary provision will be included in the budget estimate for 1918-19 on receipt of orders of Government in the Financial Department to that effect.

CNo. 167A from the D.D., no 9042 of 8.1.18.

[Subject - Grant of a personal allowance to the Head Clerk of the office of the Inspector of European and Training Schools]

Submitted that the Director has made out a case for the grant of a personal allowance and that the proposal may be approved with the concurrence of Financials. A draft order is placed below.

The proposal to pay a personal allowance seems the most suitable way of rewarding long hard work - not the original proposal to increase the pay of the post on that amount. The D.D. is convinced of the necessity for special treatment in this case. Draft may be sent to Finl. for acceptance.
