SUPERVISION OF ELEMENTARY SCHOOLS.

Our District Board at its meeting held on the 26 November, 1917, adopted certain bye-laws for the supervision of elementary schools under the taluk board of Ellore. It relates to the establishment of an advisory school committee in every important village, where there is an elementary school, consisting of 6 members of whom the village headman if found by the board to be qualified, shall be one. The committee shall have the power to elect their chairman and the members shall be appointed by the president of the taluk board, both being subject to the confirmation of the board. Among the powers of the committee, are to render every assistance to the teachers in the matter of securing the regular attendance of pupils, to raise subscriptions or donations to render pecuniary help to them to poor and deserving pupils, to check the attendance of the teachers also and to report to the president of the taluk board any grave irregularities which they themselves cannot rectify. The chairman is to call for meetings of the committee, to preserve records of the minutes and forward a copy of them to the president of the taluk boards and the sub-assistant Inspector of schools. The committee is to meet at least once in every month.

The district board will probably extend these rules to other taluk boards as well, if they are found helpful in the Ellore Taluk board where at present they will be tried.
