CPO. 232
28.1.18

Sir,

(K)
info. 394 Col
15.13

The Government of India have noticed with satisfaction that in pursuance of the policy laid down in paragraph 7 of their Educational Policy Resolution no. 301-C.D., dated the 21st February 1913, on the subject of the medical inspection of school children, with special reference to infectious diseases, eyesight and malaria, certain Provincial Governments and the local bodies under them have from time to time conducted medical examination of the health of scholars in their provinces. They are of opinion that it is desirable that the results of such examinations should be given publicity, and I am, therefore, directed to request that, if there is no objection, necessary arrangements may be made to ensure that when medical examinations of schools are carried out by provincial or local agency the results are, as far as possible, made available to the public.

I have the honour to be,
Sir,

Your most obedient servant,

Jayashankar Prasad
