To The Secretary to the Government of Madras,

HOME (EDUCATION) Department.

Sir,

With reference to paragraph 1 of G.O.No.1305 Home (Education) dated 20th October 1917 sanctioning a maximum grant of Rs.8,000 to the L.T. Training Class attached to the St. Joseph's College, Trichinopoly, for the current official year, I have the honour to state that the Principal reported to me at the time of starting the class that some expenditure would be necessary, under furniture and equipment in connection with the class and he was informed that some portion of the amount provided for the class, viz., three months'

NOTES.

cost of staff would remain unexpended and would be available for providing the class with the necessary equipment and books. But this fact was not reported to Government in my letter R. C. No.3146/1917 dated 16th July 1917. As the Principal now reports that he has incurred an expenditure of Rs.840-9-3 towards the purchase of furniture and books for the L.T. training class, I have the honour to request that Government will be pleased to sanction an additional grant of Rs.840 to the College from the lump provision of four lakhs in the current year's budget estimate under "22-Education" for the improvement of the pay and training of teachers.

2. The favour of early orders is requested.

I have the honour to be,

Sir,

Your most obedient Servant,

(C.No.171) From the Director of Public Instruction, No. 4403, dated the 21st January 1918.

[Subject.- Grant to the St. Joseph's College at Trichinopoly for equipment of the L.T. Training class.]

Under article 57 of the Grant-in-aid Code, the grant usually admissible as regards furniture, books & appliances is one-half of the total cost. In the present case, it is proposed to meet the full cost of furniture and books from Provincial funds. The L.T. class in the St. Joseph's College, Trichinopoly, is still in an experimental stage and the class may or may not be continued in future years. If, for any reason, the class is abolished in the near future, the books and furniture will become the absolute property of the Mission and the Government can then take action ^{only} as provided ⁱⁿ article 59 of the Code. It is for consideration whether, as recommended by the Director, a full grant should be sanctioned and, if so, whether it should not be expressly stipulated that the books and furniture will remain the property of Government for a period of five years and that the ownership will be transferred to the Mission, ^{only} at the end of that period. ^{if the class continues to be held successfully} The Director may perhaps be consulted u.o.

The amount involved is not large. The expenditure has been incurred on at

apparently because the recurring charges are met in full by Govt.
