(X) In G.O. No. 1021 Home (Educational) dated 6-8-17, bearing E.W.'s Memo No. 6134-C., dated 1-10-1917 Government have prescribed the S.S.L.C. as the minimum Educational qualification required for Government appointment of clerks on Rs. 20 and above. Apart from the hardships which this order will cause in the case of set-aside men already in the department, Government will lose the services of some of the really capable men. In my Division, I have a temporary section clerk N. Sama Rao by name. He is already in the permanent service though in the inferior establishment. From the time he has been employed in my Division he has been working very efficiently and satisfactorily and it will be (X) unfair to apply the G.O. under reference to his case. He is one (X) of those who has been entertained before the issue of the G.O. and his past service coupled with his merits deserves special consideration and he has to be retained where he is.

I have the honour, therefore, to recommend that you will be pleased to recommend to Government and obtain their sanction to his permanent exemption from examination rules for appointments up to Rs. 30, as he deserves special encouragement.

Pz 3 & seq. Copies of the testimonials and his application are also submitted for your information.

To

The Executive Engineer

North Presidency Division,

Chepauk, Madras.

Thro' The Asst. Engineer N. III Sub. Division.
Most Honoured Sir,

1 I humbly beg leave to approach your Honour with the following few lines with the hope that they would meet with your Honour's kind and favourable consideration.

2 I beg to inform your Honour that I have been working in this Department almost continuously from April 1913. Till 1st March 1914, I was acting clerk in the P.W. D. Workshops and I served in various capacities such as Record-clerk, miscellaneous clerk, despatching clerk and registering clerk. In March 1914 the post of attender in the P.W. Workshops fell permanently vacant and when it was offered to me, I accepted it, being anxious to secure a permanent footing. Though there was consequently a change in my designation there was no change in the nature of my work but I continued to do the duties of a clerk.

3 In August 1914, the Superintendent of the Workshops at my request recommended me for a clerk's post and the Superintending Engineer was kind enough to direct him in his No. 334 P.W.W., d/11-8-14 to try me in short acting vacancies. For about three months from March to May 1915, I was acting clerk in P.W. Stores. How conscientiously I was working and how valuable my services were, I could not do better than refer to the fact that while acting as a clerk in the Stores, the work in the Workshops suffered very much and the Workshops Superintendent Mr. H.B. Pierce sent for me and personally asked me to revert to my permanent appointment, though at a personal sacrifice to myself. When I pointed out to him, that I would lose my acting allowance ~~if~~ reverted, he assured to get me a clerk's place in the Workshops itself. Therefore, when accordingly in July 1915 after reverting to my permanent appointment, I requested him in writing to appoint me a clerk, he forwarded my application in original to the Supg. Engineer with the following endorsement:--

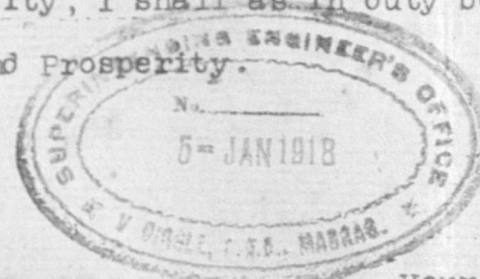

146 S.E.V. dated 22-7-15.

"Forwarded in original to S.E.V. for favourable consideration. I had to recall the applicant from his acting post in the interest of the work in my Office".

On

4 On this recommendation, I was appointed a temporary section clerk on Rs.20 from 7-10-15 which post I am holding till this day. As to my work during this period, I beg leave to refer your Honour to the half yearly recommendation rolls and also to the Officers under whom I have been serving.

5 From a kind perusal of the above, of the enclosed copies of certificates granted to me by Messrs H.B. Pierce, and H.F. deCourcy and also of the half yearly recommendation rolls, your Honour will be convinced as to how I have been discharging my duties during these four years and odd. I have studied up to the Matriculation and also once appeared for the examination held in 1908 but without success and I also belong to a respectable family. As I am desirous of bettering my prospects in the Department, I beg to request your Honour will be pleased to be good enough, taking my uniformly good services into consideration, to recommend me to the Supg. Engineer, to permanently exempt me from the operation of the examination rules. As in the case of A. Subramania Nayudu of Chingleput Division (Vide Item No.48 on page 6 of the Establishment list corrected up to 31-3-1917) a similar restriction viz: exemption for appointments in the Department, not exceeding Rs.30 per mensem may be made in my case also. I humbly pray your Honour will be pleased to kindly consider my request favourably, for which act of generosity, I shall as in duty bound ever pray for your Honour's Long Life and Prosperity.

I beg to remain,
Honoured Sir,

Your most obedient and humble servant,

N. Sama Ram

The clerk is working under me for the last two years. He is an intelligent, hard working and a very capable clerk. His work is in no way inferior to that of a passed man. He well deserves to be exempted from examination rules.

I beg to inform your Honour that I have been working in this Department almost continuously from April 1915. Till 1st May 1916, I was acting clerk in the P.W. D. Workshop and I served in various capacities as Record Clerk, Miscellaneous Clerk, Despatch Clerk and Registering Clerk. In March 1916 the post of section clerk in the P.W. Workshop fell permanently vacant and when it was offered to me, I accepted it, being anxious to secure a permanent position. There was consequently a change in my designation there was no change in the nature of my work and I continued to do the duties of a clerk. In August 1917, the Superintendent of the Workshop as my superior recommended me for a clerk's post and the Superintendent Engineer was kind enough to direct him in his No. 44 W.W. 9/11-1917 to pay me in short acting allowances. For about three months from March to May 1918, I was acting clerk in P.W. Stores. Now consequently I was working and now as my services were I could not do better than refer to the fact that while acting as a clerk in the Stores the work in the Workshop and the Workshop Superintendent. When Mr. H.B. Pierce sent for me and personally asked me to revert to my permanent appointment, though at a personal sacrifice to myself. When I pointed to him, that I would lose my acting allowance if I were to be assured to get me a clerk's place in the Workshop itself. Therefore when accordingly in July 1918 after reverting to my permanent appointment, I requested him in writing to appoint me a clerk in the Workshop. I received my application in original to the S.D. Engineer with the following endorsement:--
The S.D. V. dated 2-12-17.

The bearer N. Sama Rao was a section clerk in No. 3 Sub Division, North Presidency Division, when I was in charge of it. I had then ample opportunities to test his work. I have found him doing the work entrusted to him always intelligently and very ^{willingly} ~~willfully~~. His conduct and behaviour were also very satisfactory. He deserves encouragement.

the permanent exemption of one ^{N.} Sama Rao from the provisions of art. 1 of the Public Service Notification so as to admit of his ^{being appointed} ~~promotion~~ to clerical posts ~~on a~~ on a

pay not exceeding Rs. 30/- p.m. N. Sama Rao is now a temporary section clerk on Rs. 20/- p.m. in the North Presidency Division and he has been holding that post since 7. 10. 1915. Up to 6. 8. 17 no educational qualifications were prescribed for posts carrying a pay of Rs. 20 and below and so unpassed men ~~like~~ like Sama Rao could be appointed to such posts without any sanction. But in G.O. No. 102, Home (Edn) of 6. 8. 17, the Govt. ~~has~~ prescribed the possession of a Secondary School Leaving Certificate or its equivalent as the minimum educational qualifications in the case of posts on Rs. 20 p.m. or more in the superior service. As a result of this G.O. Sama Rao has to be exempted to enable him even to continue in his present appointment of Section Clerk on Rs. 20.

2. The S.E.'s request that Sama Rao should be permanently exempted from examination rules so as to admit of his promotion up to Rs. 30/- is presumably on the analogy of A. Subramanya Naidu's case - vide in this connection para. 5 of the

involved in this case since April 1913 almost continuously till 1-3-14 he was only an acting clerk in the P.D. workshops and in March 14, he was appointed an attendant in the same office and was being ^{used} as an acting clerk occasionally. He is

the clerk's petition on p. 4 of and the papers in L.O. No. 338 (Educational) of 24.3.15. It will be seen that the case of A. Subramanya Naidu was a unique one and is not similar to Sama Rao's case. The former was permanently exempted to hold ^{clerical} posts up to Rs. 30/- chiefly in consideration of his 29 years' service, among other grounds, while the latter has barely put in a five years' service. Moreover there is no dearth of qualified candidates in Madras; the fact is that the supply of such men for clerical posts is ~~far~~ greater than the demand. There seems therefore no reason to entertain the request of the S.E. to exempt ^{S. Sama Rao} ~~throughout~~ ^{to hold posts} ~~permanently~~ up to a pay of Rs. 30. ~~Best~~ Attention is, ~~however~~, invited to the portions marked A on p. 2 of the notes to L.O. No. 1021 Home (Edn) of 6.8.17. It has been recognised therein that consideration should be shown to unpassed temporary men already in the dept. The clerk in question S. Sama Rao has put in a service of about five years and has been holding a temporary clerk's post on Rs. 20/- ever since 7.10.1915. Moreover he is well reported on by the Ex. Engineers, N. Presidency ~~and~~ and the S.E. strongly recommends the exemption. In the

the above circumstances and in view of the fact that the S. Sama Rao has been adversely affected by G.O. No. 1021 Home (Edn.) 868, the permanent exemption of the clerk from examinations rules so as to admit of his holding a Rs. 20/- appointment may be ~~advisedly~~ recommended to Home (Education) for sanction.
