(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,

Home (Education)

Department.

Sir,

In their order No. 342 Edl., R., dated 13th November 1914, Government while appointing Mr. J.W. Coombes to act as Superintendent of the Reformatory School, Chingleput, without prejudice to his duties as Deputy Superintendent, drew attention to G.O.No. 271 Edl., dated 30th April 1904 in which it was stated that the Deputy Superintendent would be ineligible for the allowance of Rs.100 per mensem attached to the post of Superintendent whenever he officiated as Superintendent. This order it will be observed, was based on G.O.No. 1403 24th July 1893 in which it was

2
difference whatever in the duties or responsibilities of the Deputy Superintendent as he conducts them without general supervision over him and that it was absurd to give him an allowance for supervising himself. It was further stated in the latter G.O. that the local allowance attached to the post of Superintendent might be given to any officer to whom Government assigns duties and that in the case of short absence of the Civil Surgeon it might be possible to allow the institution to go on without any general supervision but that if it was not so, some officer other than the Deputy Superintendent ought to be found to exercise it and that the Deputy Superintendent should not in any case have claim to it.

It will be evident from the foregoing facts that the order contemplated only short periods of absence of the District Medical Officer, Chingleput, in charge of the Superintendent's office during which it might be possible to run the institution without general supervision. But as Mr. Coombes has been in charge of the school since 21st September 1914 and discharging efficiently the duties of Superintendent without prejudice to his own duties of Deputy Superintendent it cannot be denied that he has additional responsibility as acting Superintendent especially considering the fact that the conditions have changed and the institution has undergone considerable development in various directions since 1893 when the G.O. in question was issued. In these circumstances and in view of the fact that the Surgeon General is understood to be in favour of moving Government to grant a moiety of the usual allowance of Rs.100 to the District Medical and Sanitary officer for his medical inspection of the Reformatory School and that the other moiety of Rs.50 will still be available for the Superintendent, I have the honour to request that Government will be pleased

and to sanction the payment to

Rs. 50 per mensem for discharge

allowance should date from the beginning of the current financial year.

2. The charge proposed can be met from the provision made for the Superintendent's allowance of Rs.100 in the Budget estimate of the school.

I have the honour to be,

S i r,

Your most obedient servant,

C. Venkataswamy

SIR,

With reference to your Endorsement No. 1630 B-1 dated 20th December 1917, I have the honour to state that the sanction of the Secretary of State is necessary to the grant to Mr. J.W. Please see the A. G's letter on p 5 cf. Mr Coombes has been acting in the Indian Educational Service since the 1st Apr 1916 and his total emoluments amount to Rs 800 now. For the purpose of the decision it is for consideration whether the claims of Coombes for a personal allowance are...

as would warrant a recommendation to the Secretary of State for the ~~franchise~~ sanction to give the ~~sanction~~

A reference is requested to para 4 of the D.P. 2's letter in pp 1-2 of L.O. No. 1491 dated 24.7.1898 is very definite as regards the grant of the ~~personal~~ allowance to the Dy. Supt. The order says "the actual control and management of the institution are vested in the Dy. Supt. subject to the general supervision of the Civil Surgeon who receives for such supervision an allowance of Rs 100 p.m. When the Civil Surgeon is absent there is no difference whatever in the duties and the responsibilities of the Dy. Supt. he merely conducts them without general supervision over him and it is absurd to give him an allowance for supervising himself." In ^{the face} of such a clear ruling, it is submitted, that ~~there is no~~ ^{the fact} the D.P. 2's contention do not appear to be justified. The order says that the D.P. 2 states that the order was meant to be served only in cases the case of short vacancy. The nature of the work and the responsibility do not, it is submitted, alter in any way simply because the Dy. Supt. put in charge of the Reformatory for a long period ^{Further} than is or a short period. ~~Further~~ ^{ag.} the order appointing Mr. Corbue as Dy. Supt. when it was made of the order in L.O. No. 27 dated 30.4.1904 which stated "that the ~~Dy. Supt.~~

(A) in L.O. No. R 3425/13.11.14

will be held ineligible for this allowance even when he officiates as Superintendent". Further the same question was considered in 1912 in connection with a reference from the Director of Public Instruction and the Government declined to modify the previous orders declaring that the Deputy Superintendent was ineligible to draw the local allowance attached to the office of the Superintendent, when he officiated in that appointment (vide G.O.No.994, Educational, dated the 12th November 1912).

2. Under rule 8 of the rules made by the Government for the Reformatory School, Chingleput, the District Medical and Sanitary Officer, (Chingleput), shall ordinarily be the Superintendent with an allowance of Rs.100 per mensem and the Deputy Superintendent shall belong to the Provincial Educational Service. Mr. Coombes, who is permanent Deputy Superintendent, is now acting as Superintendent without prejudice to his duties as Deputy Superintendent. He belongs to the Provincial Educational Service and is acting in the Indian Educational Service from 1st April 1916 and so gets an acting allowance of Rs.100 per mensem. He has thus got ^{his} promotion in the regular in the Reformatory school line though he is still in an appointment usually held by an officer of the Provincial Educational Service and he does not therefore appear to have a grievance. Reference is in this connection solicited to the papers recorded in G.O.No. 29, Educational, dated the 9th January 1915, from which it will be seen that Mr. Coombes offered to do the duties of Superintendent of the school without the allowance of Rs.100 per mensem if he should be appointed permanent Superintendent of the school without prejudice to his duties as Deputy Superintendent.

So far as Mr. Coombes goes
his position in the B.C.S.
is not that a claim for

there is no strong enough
