Home (Education) Department,

Fort St. George, Madras.

Dear Sir,

We beg to acknowledge receipt of your circular dated the 22nd December 1917 in reference to the State Technical Scholarship for award in this Presidency in 1918; at present we do not know of any young man of promise with mechanical aptitude whom we could --- recommend for such scholarship.

We notice that the scholarships are particularly intended for natives of India and we would be glad to hear whether it is solely confined to them or whether a young man of the domiciled -- community could be included; no mention is made also as to the age limit of candidates for this scholarship.

K.S.K.

Yours faithfully,
