Letter No. 1802 of 07 dated 30-3-13, to the President, District Board, Madura.

Having remained as sanitary Assistant to the District Medical Sanitary Officer for over 3 years, I beg to submit the following for your kind and favourable consideration.

I am given a clerk on Rs. 20 per mensem to help me both in my office and out-door duties and he has to be constantly touring round with me. The present clerk (M. Runganatha Naidu) has been with me since he joined me in February 1905.

The volume of work turned out ~~by~~ by the clerk are roughly detailed in the enclosed statement and may be seen to be large and multifarious. X X X X

Whereas the clerk is not properly compensated. It is a pity that the poor clerk should be placed under such difficulties with a limited pay and an insignificant daily allowance. X X The pay of Rs. 20 is absolutely insufficient in view with the duties performed in the office and much more while on circuit. These hardships I practically experience and venture to write so strongly that some encouragement is indispensable necessary for the clerk. XXX XXX XXXX Not only myself but also V. Padmanabha Kamath who acted for me for about 6 months experienced the difficulties of the clerk and recommended to the Board an increase of pay of Rs. 5 in his salary during October 06. X X X X X The Board is also well aware of the fact that the work of the Sanitary Assistant's office is gradually increased manifold by the introduction of the new Vaccination reorganisation scheme and with the greater demand for sanitary improvement. X X X X

Under the Circumstances, I submit and strongly recommend that the

the clerk who is drawing Rs. 20 for the last 3 full years without any increament whatsoever may be given, now an increase of Rs. 5 and a further annual increament of Rs. 2 up to 35/-

In submitting herewith the application of M. Runganatha Naidu for the post of Head clerk in the Ramnad Taluk Board, I have the honour to state that the applicant was attached to this office for the past 7 years and that he was the only clerk and as such well up in the various departments of clerical work. During the past ten months when I was the Sany. Asst. I have always found him intelligent, and hardworking, considering his long service and capabilities, he deserves better appreciation. If he is fortunate to get the post he applies for, I am confident he will give every satisfaction to his superiors.

Since the services of this clerk will not be required in this office after the 1st Aug. 1911 as this office is to be abolished after that date, I request that the president, District Board, Ramnad, may be addressed with a view of providing for this clerk since the separation of Ramnad from the District necessitates th

abolition of this office.

Sd. A.Upendra Pai

On production of a similar certificate in 1905, permission of the Secretary to the Commissioner for Government Examinations - Madras was obtained in his No.144 dated 17th August 05.

To

The District Board Engineer,

Madura.

Most Honoured Sir,

I humbly beg to bring the following few lines to your Honour's kind notice and consideration:-

I belong to a very respectable family in Madura. My paternal grand-father was District Munsiff and all my fore-fathers and near relatives have held responsible appointments under Government, such as, Deputy Collectors, Native Registrars, the District Munsiffs etc. But of late owing to several pecuniary and other difficulties in my early youth I was obliged to discontinue my studies after I struggled through and appeared for the Matriculation Examination. In this crisis J.G.D.Patridge Esq., the then Collector of Madura after an intimate knowledge of my ancestry took pity on me and of my respectable family and selected me for the Provident Fund Clerk's post in the Collector's Office on Rs. 15/- in 1899 out of a number of applicants.

I have however passed the Middle Examination of 1886, Sanitary Science, and Commercial Correspondence Elementary Grade.

I have put in nearly 19 years service in the L.F.Department and I am now the 5th Clerk on Rs.20/- in your Honour's Office. I have served under several officers European and Indian, copies of whose testimonials bearing witness to my character and capacity are herewith enclosed. Such of my departmental experience has secured me a fair knowledge of office work and I venture to submit I will be able to cope with any work that may be given to me either in the account or in the clerical branches and that I am

in

in no way inferior to my seniors in rank but juniors in service. Whereas my poor situation as Clerk on Rs. 20 permanent is still unchanged and my prospects are blocked up for want of better educational qualifications.

In this connection I need hardly remind your honour that I am now nearing 40 and my pensionable service comes to nearly 19 and that if I retire upon my present pay the pittance of a pension that I would get will hardly keep me and my family even above necessity.

In consideration of the above said circumstances I humbly beg to request that your Honour will be graciously pleased to recommend to the President, District Board, Madura for exemption from my passing the required examination and enable me to appear for the Special Tests Examinations :- the Account test and the Translation lower -.

I am confident that I could pass them both if I could get the exemption.

There are similar instances of exemptions granted to Clerks working in the L.F. Department of Madura, Ramnad and other Districts.

I beg to remain,

Most Honoured Sir,

Your most obedient servant,

Madura,
