Sir,

The Inspectress of Girls' Schools, Northern Circle,
reports that while the strength of the Government Girls'
School, Samalkota (Hindu) has increased to such an extent
as to necessitate an addition to the sanctioned scale of
five teachers on Rs.20, 14, 12, 10 and 10 the strength of
the Government Girls' School, Tallarevu, is going down and
does not justify the continuance of the existing staff of
four teachers on Rs.14, 12, 10 and 10. In these circum-
stances she proposes the temporary transfer of a teacher's

2. There is no audit objection to the proposal contained in para 1 of the Director's letter, being sanctioned by Government.

3. As regards the proposal in para 2 of the letter, it appears that, in effect, the Director requests that he may be empowered to create or abolish appointments permanently or temporarily. This power should be expressly delegated to him by Government under the Government of India Resolution No.352-E.A. dated the 25th July 1917. Article 58 of the Civil Service Regulations has no application in this case as held by the Director.

post on Rs.10 from the latter school to the former. Considering the strength of the two schools in September 1917 which was, as noted on the margin, the Inspectress's proposal seems reasonable and I have the honour to commend it for the sanction of Government.

In this connection I beg to request that Government will be pleased to empower the Director to authorize similar transfers either temporarily or permanently without reference to Government provided the transfer does not involve any extra cost to the State. Periodical variations in strength and temporary closure of schools for epidemics, etc., frequently render necessary such transfers and it appears that the cases can be dealt with by the Director under Article 58 of the Civil Service Regulations. At present, however, temporary deputations of the staff of one school to another during the prevalence of epidemics at the station are sanctioned by me, but the sanction of Government is invariably sought for transfers of posts from one establishment to the other in consequence of variations in strength.

Para 1 of D.P.D.'s letter on pages 1-2 CF. Transfer

of a teacher from the Govt. girls' school Jallerewu to the Govt girls' school, Samalkota - No extra cost is involved in the Director's proposal, which may, it is submitted, be accepted.

2 Para 2 of D.P.D.'s letter on page 2 CF.

Empowering the D.P.D. to authorise similar transfers either temporarily or permanently without reference to Govt provided the transfer does not involve any extra cost to the State - The Asst. Secy. holds that the D.P.D.'s request is in effect amounts to a delegation to him of power to create or abolish appointments permanently or temporarily and that this delegation should be expressly sanctioned by Govt under rules 2(2) and 3(2) of the Annexure to the Finance Dept. Resolution No. 352 E.A. & 25-7-17. The Asst. Secy. seems technically correct, but it is submitted that the delegation contemplated in the Finance Dept. Reslⁿ does not seem to be intended to meet cases of the kind referred to in the D.P.D.'s letter, which are

unobjectionable from the financial point of view. Attention is also solicited in this connection to the Asst. Secy's notes on pages 27-29 of notes in papers flagged I from which it will be seen that there is no intention at present to delegate large powers to subordinate authorities in the matter of creation of establishments.

3 Please see letter from the Sany. Commr. to the Acct. Genl. and the latter's reply thereto on pages 7-8 of S.O. 1513 L. 8 9-10-17. The Acct. Genl. has stated that the difficulties felt till recently by the Sany. Commr. by the transfer of clerks from the offices of the Dy. Sany. Commr. to the head office and vice versa on promotion can be overcome if the whole establishment is brought under one amalgamated scale

with the sanction of Govt. This amalgamated scale was sanctioned in S.O. 1513 L. 8 9-10-17; and it is now open to the Sanitary Commission to employ this combined establishment in any manner he pleases. If a somewhat similar system is introduced in the Ed. Dept. by which a number of schools is grouped together and the teachers in those schools are borne on an amalgamated scale, it appears that the D.P.S. will have the power to distribute the teachers of the group among
