ASSISTANT PROFESSOR,

TO

THE SECRETARY (EDUCATIONAL) TO GOVERNMENT,

MADRAS.

Through THE ASSISTANT SUPERINTENDENT

OF ARCHAEOLOGY FOR EPIGRAPHY, MADRAS.

Sir,

So Shd. have been signed for the 10th Feb 1918
I beg to state that the services of Mr. P. Srikantaiyar, the clerk who has been placed at my disposal in connection with the Topographical List of Inscriptions, cease on the 10th - February. The book is in the Press; about 350 pages have been struck and 100 more already composed, so that it may be said - that, for all intents and purposes, 450 pages have been printed. *306-20-1100-27*
(P 2881) About 1,100 pages yet remain, and as the printing of these, together with the index, etc., will occupy at least, I believe, six months more, I beg to request you to extend his services for that period. The framing of the index (which is a very laborious task) is progressing satisfactorily and I beg to point out to you that uninterrupted progress in it necessitates your kind and favourable orders on the matter.

I beg to be,

Sir,

Your most obedient servant,

V. Rangacharya.

Subject:- Extension of the services
of the clerk allowed to Mr. V. Range
of the Presidency College prepared
of proofs relating to the list of
Madras Inscriptions.

At the instance of the
Govt; M. R. R. V. Rangar Subbaraya
of the Presidency College prepared
"a topographical list of the in-
scriptions of the Madras Presidency."

At the completion of the proofs of the
work, the drawing up of an index and
glossary, and the addition of a
diagnostic analysis to the work was
anticipated to give much labour.
Mr. Range Subbaraya desired to
have some clerical assistance for
three or four months. He estimated

in Rs. No. 1100 & Rs. 20 for the 28th
Aug. 1917, the Govt. sanctioned the
employment in the office of the
A. A. S. for Epigrapher of a clerk
on Rs. 20 p. m. for four months.

The clerk seemed to have been
employed on 10th Oct. 1917.

1/2 of Rs. 11000

2 It is now reported to

the printing of the work would occupy at least two months more and location is requested for the retention of the clerk for that period. This period asked for seemed to be comparatively long especially when it was anticipated that the work could be printed up in three or four months. It is not known whether there is any considerable delay in the Press. ~~whether~~ It is for consideration whether the S. G. P. may be asked who to state what further time it will take for completing the printing.

S. G. P. No.

The work has gone on more slowly than anticipated, partly owing to exceptional pressure owing to the Kemp visit etc in December, and to the extraordinary number of special marked and corrected letters that had to be sent which have been done here instead of sent to England for them. If no more of such letters are required by the author the printing should be finished within three months.

We may sanction, ~~to~~ with the concurrence of Finl, extension of the services of the clerk for a further period of three months for the present & another extension is considered later on, we may, on application, consider it later on.

I would sanction for 6 months straight off. There is enough work for that period

If Home Secy has no objection, since it would pass the three months in the first instance. Mr. Rangachary believes the family will take 6 months; the S.E.P. says 3 if there are no more letters to be sent - this probably are not.
