To The Secretary to the Government of Madras,

Department.

Sir,

With reference to para 3 of G.O.No. 1155 Home, Judicial, dated 5th June 1917, I have the honour to state that the pinnace transferred for the use of the Sub-Assistant Inspector, Kaikalur Range, from the Police Department is serviceable only on the Kollair lake and the big waterways and that it is reported that a small boat is also indispensable for the Sub-Assistant Inspector (Vide his letter R.C.No. 103 Sup of 17, dated 23rd October 1917 copy enclosed) for touring in the irrigation channels, small drains and water logged places.

2. The Executive Engineer, Pistua Central Division, whom I consulted in the matter is also of opinion that a small

2/

boat will be very useful for the Sub-Assistant Inspector to go out on inspection on the irrigation channels and minor drains (Vide his letter No. 1759 Cl/T. and P 20, dated 24th January 1918 copy enclosed).

3. In these circumstances, I have the honour to request that sanction may be accorded for retaining, for the use of the Sub-Assistant Inspector, one of the two small boats which I proposed to hand over to the Executive Engineer in my letter R.C.No. 1433/17, dated 18th May 1917.

I have the honour to be,

S i r,

Your most obedient servant,

R. A. R. M.

Letter from the Sub-Assistant Inspector of Schools, Kaikalur Range R.C.No. 103 Su-/17, dated 20th October 1917 to the Inspector of Schools, 2nd Circle.

"With reference to your memo R.C.No. 507 K/17, dated 18th August 1917 a copy of which was communicated to me in Dis. No. 403 /17 dated 26th July 1917 of the Assistant Inspector of Schools, Kistna District, I have the honour to state as follows:-

The Tahsildar, Kaikalur Taluk, has a big boat to facilitate his tours in the Taluk. He has also addressed the Deputy Collector, Gudivada to recommend to the authorities that the two pinnaces supplied to this Range and ordered to be handed over to the Public Works Department might be given for the use of himself and the Revenue Inspector, Kalidindi Tirka, since their pinnaces supplied long ago are not fit for use at present.

The Sub-Assistant Inspector, Kaikalur, has also to visit all the places in the Taluk which the Tahsildar visits and a pinnacle is indispensably necessary for him for touring in the irrigation channels small drains and water logged places extending all over the Taluk since the big boat ordered to be supplied can only be utilized on the Kollair lake and the big ~~big~~ waterways.

I therefore have the honour to request you will be pleased to recommend the retention of at least one pinnacle for both the Sub-Assistant Inspector and the Supervisor for the present for their use on the irrigation channels etc., above mentioned in addition to the big boat already ordered to be supplied.

A copy of the letter of the Tahsildar referred to above is herewith submitted for favour of perusal.

Copy of para 1 and 2 of Kaikalur Tahsildar's R.C.No. 2260 Sup/17 dated 22nd September 1917 to the Deputy Collector, Gudivada.

"I beg to report that my pinnacle is quite gone out of repair and was laid aside as useless in the parties shed even before I joined here in August 1917. It was supplied in 1906 when Mr. Ganga Rao Naidu was Deputy Tahsildar here. I request that it may be ordered to be sold in auction and the sale proceeds credited to Government. The Revenue Inspectors of Kaikalur and Kalidindi

2. I hear that the Sub-Assistant Inspector and the Supervisor of Schools, in Kalkalur are going to be supplied with a covered boat and their two pinnaces have already been ordered to be sent up to the D.P.W. at Bezwada. I request that the Inspector of Schools and the other necessary officers may be addressed so that the two pinnaces may be given, one for my use and the other for the use of the Kalidindi Revenue Inspector.

Letter from the Executive Engineer, Kistna Central Division to the Director of Public Instruction, No. 1759 T. and P 20, dated 24th January 1918.

With reference to your N.Ref. on Current No. 9158/47, dated 30th November 1917, I have the honour to state that the dinghy or pinnace transferred from the Inspector of Police, Gudivada, to the Sub-Assistant Inspector of Schools, Kaikalur, is suitable for moving about in the Kollair lake and in the canals and larger drains, if however, the Sub-Assistant Inspector has to go out on inspection on the irrigation channels and minor drains, a pinnace of the type already supplied to him by this Department will be very useful.
