As the sanction accorded in G.O.No.533 Educational, dated 18th May 1915 to the employment tentatively for a period of three years, of an additional Professor in the Ninth grade of the Provincial Educational Service in the Presidency College so as to relieve the Principal of a portion of his lecturing work, expires by the 30th June 1918, I have the honour to request that Government will be pleased to sanction the continuance of the post for a further period of three years from 1st July 1918.

The arrangement has been working satisfactorily and the Principal recommends its continuance.

2. Provision for the salary of the additional Professor

has been included in the Budget estimate for the next year.

I have the honour to be,

Subject - Continuance of the post of temporary
 additional Professor in the P.E.S. in the
 Presidency College.

The Director proposes the continuance for
 a further period of three years from the 1st July

 Presidency College sanctioned in G.O. no 533 Edl.,

2. Since the issue of the G.O. quoted above
 the report of the Public Services Commission has
 been published. The Govt. of India have also
 invited the views of this Govt. on the main
 principles enunciated by the Commission as
 regards the future organisation of the
 Educational Services. After the main principles
 are settled, detailed proposals affecting the
 constitution of the department will have to
 be prepared and submitted to the Govt. of India.

It will be seen from the notes to G.O. no 1279 Edl.

(G)

of 13.11.14 and G.O. no 275 Edl. of 12.3.15 that
 the Govt. have very reluctantly acquiesced in
 the decision of the Secretary of State ^{relating} ~~assigning~~
 the creation of a full time Principalship for the
 Presidency College. It is quite likely that, when the
 reconstitution of the services again comes up for
 consideration, the Director may desire the Govt. to

re open the question of a full-time Principal. The Public Service Commission have recommended a higher and progressive scale of pay for members of the P.E.S., and the temporary additional Professor in the Presidency College may have ^{at present} been allowed the concession sanctioned for permanent members of the service. It is for consideration whether, having regard to the above facts, sanction to the continuance of the temporary part of Additional Professor may not be accorded for a further period of one year only (instead of for three years as recommended by the D.P.I.). As in the case of other temporary posts, the Director may be left to come up for fresh sanction, if necessary, every year.

The D.P.I. knows all this. He has recommended the renewal of the tenure for another three years. It may be taken that the D.P.I. will not revert to the original idea of ~~the~~ a full-time Principal - a more costly arrangement - especially as he says that the present system has worked satisfactorily. the question of the position of the appoint-
