To The Secretary to the Government of Madras,

the Accountant General/

Sir,

(E)
In their order No. 1349 Home (Education), dated 12th December 1916, Government were pleased to sanction the continuance of the temporary training school for Muhammadan masters at Cuntur till 30th September 1918, the admission into the school of a fresh batch of students for training in January 1917 and the employment of additional Assistant on Rs. 40 per mensem for a period of four months from 1st January 1917. Put in consideration of the great demand for trained Muhammadan teachers in the Telugu Districts and of the fact that a sufficient number of students was forthcoming to undergo training in the school, the Inspector of Schools, 2nd Circle, admitted a fresh batch in July 1917 also, but without my

orders. Thus there are at present working in the school two batches - one admitted in January 1917 which completes its course in September 1918 and the other admitted in July 1917 (6 1/2 months) which will go on till April 1919, and it has become necessary again to entertain an additional Assistant. In this connection it may be observed that four batches of students aggregating 132 in number have till now been admitted into the school. (Vide details on the margin), and the Inspector expects that about 35 students will join the school in July 1918 if a fresh batch is to be admitted then. In these circumstances I agree with the Inspector in thinking that it is desirable to admit a fresh batch in July 1918- and to continue the school at least

No. admitted	on 1-9-14	31	till April 1920. It is quite possible

the Northern and Ceded Districts and as the demand for further trained muhammadan teachers of the Elementary grade knowing Telugu is likely to continue and cannot be met by the Muhammadan training school, Madras. In case a fresh batch is admitted in July 1918 the additional assistant referred to above will have to be continued till the end of April 1919 as till then there will be two batches at work simultaneously I have the honour accordingly to request that you will be so good as to obtain the sanction of Government for the continuance of the school till the close of the year 1919-20 and the employment of an additional Assistant on Rs.50 per mensem from 1st February 1918 to 30th April 1919.

2. Although the pay of the additional teacher sanctioned in G.O.No. 1349 Home (Education) dated 12th December 1916 was only Rs.40 it is now proposed to fix the pay of the post at Rs.50 as experience has proved that it is not possible to secure the services of a qualified Muhammadan teacher even if the Secondary grade with a knowledge of telugu for Rs.40. I may mention here that the post sanctioned in the above G.O. had to remain vacant for want of a suitable Muhammadan teacher willing

to accept the sanctioned salary of Rs.40 per mensem. The existing staff of the school consists of a headmaster on Rs.75 per mensem, an assistant on Rs.40 per mensem and a combined Drawing and Drill Instructor on Rs.30 per mensem.

3. The extra cost involved by the proposal viz., Rs.50 per mensem can, during the current year be met from the anticipated savings in 'salaries' under Government Training school for masters' in the budget and it is requested that the necessary provision for the next year may be included in that year's budget estimates.

I have the honour to be,

Sir,

Your most obedient servant,

Ch. S. Srinivasan
