At the meeting of the Legislative Council held on the 25th May 1915 the Hon. Mr. S. Srinivasa Sastri asked for a statement showing for each grade in the P.E.S., S.E.S., and Supervisors ^{of} the sanctioned strength, the number of vacancies that remained unfilled on the 1st day of April in each of the years 1913, 1914 and 1915 and the members of those which remained unfilled for various periods. He was referred in reply to the Quarterly Civil Lists and to the lists of officers in the Educational Dept. — G.O. no 630 & 14.6.15. Subsequently he explained that his object in the above interpellation was to bring to the notice of the Government the unconscionably long intervals at which promotions were made and requested that steps might be taken to fill up vacancies more promptly. After consultation with the D.D. Mr. Srinivasa Sastri was told that endeavours ^{would} be made to fill up vacancies promptly. — G.O. no 1891-4 & 5.8.15. Again with a view to ~~enable~~ ^{enable} the public to see ~~that~~ whether the vacancies occurring in the S.E.S. are filled up without much delay, the same additional Member enquired at the meeting of 1st February 1916 whether a graduation list of Sub-assistant inspectors of schools might not

be incorporated in the Quarterly Civil list and whether a monthly list of educational officers down to and including S. A. I's similar to the one published in the Salt department might not also be introduced. He was told in reply that the suggestions would be considered.

- (E) G.O. no 532 of 16.5.16. Subsequently it was decided that the above suggestions need not be adopted ^{and} that it would be sufficient to publish ~~quarterly~~ (instead of yearly) a list of educational officers drawing above Rs 30 per m. G.O. no 532 of 16.5.16.

(E) 2. At the meeting of the Legislative Council held on 6th February 1917 the Hon. Messrs B. Venkataswami Reddy and K. R. V. Krishna Rao referred to the large number of vacancies and enquired ~~for~~ the reasons ~~for~~ delay. The reply given was that no vacancy remained unfilled for longer than was necessary in the public interest - G.O. no 244 of 22.2.17 & no 261 of 24.2.17.

3. It will be seen from the above that both the Govt. (in the case of appointments to the P.E.S.) and the Director are alive to the necessity for filling up vacancies as promptly as possible. Before promoting each officer his work has been watched for some time.

4 From the list of educational officers corrected up to the 1st October 1917 (the latest one available) it is observed that the following places were vacant on that date:—

Service	Grade or class	Total no of posts	No of vacancies
P. E. S.	8 th	10	4
do	9 th	12	6
S. E. S. - Collegiate branch	3 rd	7	1
	4 th	9	1
	5 th	13	2
S. E. S. - Inspection branch	3 rd	30	3
	4 th	31	4
	5 th	48	10
	Probationary	58	15

5. The four vacancies in the 8th grade of the P. E. S. have since been filled up in for 34A of 11.1.18. As regards the six vacancies in the 9th grade the Director has been requested to submit at an early date proposals for filling them — para. 3 of for no 34A of 11.1.18.

b. As regards the vacancies in the S. E. S., appointments to which are made by the Director himself, there is no information here as to the specific causes of the delay. Submitted that the file may be sent up to him for remarks and for the suggesting a draft answer to the whole question.

NOTES.

No 37 3 28. 1. 4

I have just filed up the vacancies in the Bureau in the Department of the Interior and am now considering persons for the outside inspecting service, and before the Council meets ~~the~~ vacancies in it will be filled.

As regards the P.B. there are some cases of people who are, so to speak, on probation about whom I am doubtful but it will not be long before I shall be able to submit proposals for this service also.

Of course there is people substitution in the permanent vacancies so that the public interest does not suffer.

I should be inclined to say since the publication of the list the the number refers to, the vacancies in the Department of the Interior and Inspecting Service have been filled permanently filled. The vacancies in the P.B. will in due course require the attention of Government.
