Q.52. Will the Government consider the desirability of developing their scheme of medical inspection of the students of Madras so as to arrest the spread of tuberculosis among them?

(The question relates to the Madras Legislative Assembly and the Hon'ble Diwan Bahadur A. Subbarayalu Reddiyar Avargal.)

3

The Hon'ble Minister for Education has suggested the formation of a committee to consider the matter and to report to the Government. It is the duty of the Government to consider the matter and to take such steps as may be necessary to arrest the spread of tuberculosis among the students of Madras.

Please see for no 945 Home (Edn) of 7.9.16 and the notes therewith. A Report on the further inspection ^{of elementary schools} ~~has~~ ^{has} been received and is under the consideration of Govt. The inspection has disclosed ^{the prevalence} ~~the prevalence~~ of tuberculosis among the pupils.

2. Attention is solicited to para 6 of the fo. quoted above and H. E. S. note 365/16 imp. 39 notes therewith from which it will be seen that the medical inspection of ~~for the~~ ^{in general} schools has been deferred until the normal financial conditions are restored and definite instructions ^{are drawn up} for the carrying out of these inspections with the help of the experience gathered in the Corporation schools. These instructions have not yet been drawn up.

3. There appears however, to be no objection to answering the question of the Additional Members in the affirmative

4. The Finance Committee has suggested the provision of a sum of Rs 800/- in the next year's budget to meet the pay of two medical officers who be employed for the medical inspection of schools.
