Home (Education) Department.

Q.16. (a) With reference to the reply
given to my question No. 84 at the Council
meeting held on the 20th November 1917

will the Government be pleased to give
the names of Telugu gentlemen who are in
the permanent cadre provincial educa-
tional service with their qualifications
and date of the permanent appointment
to that grade as the quarterly civil list
did not enlighten me on the point?

(b) In the impending reorganisation
of the services in educational or other
departments will the Government be
pleased to keep in view of the poor
representation of the Telugus when posts
have to be filled in when qualified
Telugu gentlemen are available?

Please see the papers with Co. no 16003 15.12.17. The following draft answer is submitted for approval:—

"(a) Mr. N. R. Krishnamma who holds a permanent post in the P. E. S. is a native of the Northern Circars. Particulars regarding his qualifications and service are contained in the Quarterly Civil List and the List of Educational Officers."

"(b) There are at present ~~several~~ ^{number of} officers belonging to the Telugu districts who hold sub pro tem or acting appointments in the P. E. S. The Govt. do not think it would be desirable or possible to distribute appointments on a geographical basis."

departments except P.W.D. (I). Home (Miscellaneous) has no services under its control, while Public (Mar) has no reorganization under contemplation. The P.W.D. has not offered any suggestion. L & M (Medl) points out that three-fourths of the stipends for medical pupils are reserved for those coming from the Telugu districts. Revenue and Public (besides Separate Revenue and Judicial as noted on page 4 ante) agree to an affirmative answer to clause (b).

"(b) Yes."

"There are at present a number of officers belonging to the Telugu districts who hold sub-pro-tem or acting appointments in the P.E.S. The Govt. do not think it would be desirable or possible to distribute appointments on a geographical basis."

Please see Legislative Council question on page 2 of. Para (b) of the question which applies also to the Salt, Hkani and Customs dept. suggests that the claims of qualified Teleph Candidates may be considered in the "impending re-organisation of the Services," and the H.A.M. presumably refers to the recommendations of the Public Services Commission. In connection with a question at a meeting of the Legislative Council in February last the Board reported that 7 out of 88 Inspectors and 10 out of 108 Assistant Inspectors were Delegates - vide ^{p. 5} ~~11.12.17~~ of S.O. 437, Fin. (S.R.), of 5.4.17. On a similar question asked with reference to Unizers, the Govt. have agreed to consider their claims if qualified ^{men} were forthcoming - vide S.O. 876, Fin. (S.R.), of 3.12.17.

Submitted that this department may accept the suggestion in para (b) of the question. With these remarks the file may be forwarded to Home (Education) who are mainly interested in the question and who will give a Consolidated answer.

under the control of Medical. Submitted therefore that
the case may be transferred to Home (Miscellaneous) who
should deal with the general question.
The representation of Zebeg in the Medical

Survey Department.

No large reorganization is impending in the Survey Department. While the Survey Committee recommend that the future recruits should be solely Europeans recruited in England the Public Service Commission have proposed that recruitment should as hitherto be made in India and that the recruits should be obtained in India and be partly found from Europeans and partly from Indians. The Government had decided that Indians should not be debarred from appointment to the gazetted ranks. The submission of the scheme to the Govt of India was deferred pending the receipt of the provisional conclusions of the Govt., of India on the recommendations of the P.S. Commission. These conclusions have now been received and are under examination. The circumstances of the Survey Dept., are somewhat peculiar, the main criterion being the fitness of the candidates for hard outdoor work; and it would seem difficult to follow strictly any rule of communal representation.

Forest Department.

The Secretary of State has recently sanctioned the addition to the cadre of 10 Provincial officers. Any candidate possessing the requisite qualifications may apply for nomination to the Provincial Forest Service course at Dehra Dun. But there is no impending reorganisation in the Dept.

Deputy Collector's cadre.

There is no impending reorganization of the deputy collectors' cadre except what is recommended by the Public Service Commission. The Govt. have already noticed the small proportion of Telugus in the deputy collectors' cadre and have taken steps to augment the proportion. Agricultural and Veterinary departments.

There is no impending reorganization of the Provincial Services in these two departments. The Agricultural Dept., was reorganized only in 1915 and out of the 8 Provincial appointments in the executive branch of the service, only three are now filled up and two of these are held by Telugus. (M.R.Ry. K. Ramasastrulu Nayudu and M.R.Ry. D. Balakrishnamurti). Of the four appointments in the Provincial cadre attached to the College, only two have been filled up and one is held by a Telugu. (Mr. Ananda Rao). It is thus clear that Telugus are getting a fair representation. To enable the Dept., to obtain more Telugus, selection to the college has in the past two years been held at Anakapalle for the convenience of the Telugus.

In the In the Veterinary Dept., there are five sanctioned Provincial Service posts and four have been filled up. There are no Telugu men but as has been done at the Agricultural College, so also in regard to the admission of more Telugus into the Veterinary College, a selection is being made at Bezvada and it is hoped that more Telugus will be available for appointment in future.

Assistant Registrars in the Co-operative Dept., are recruited from the cadre of deputy collectors. There are at present nine Asst. Registrars including two officers under training of whom three are Telugu men. In selecting another deputy collector for training in Co-operation, the Registrar has been asked to consider the desirability of selecting a Telugu officer.

D.W.

The P.W.D. is concerned only with part (b) of the question.

2. The Additional Member has apparently in view the services that will be reorganised as a result of the recommendations of the Public Services Commission. The services affected in the P.W.D. are the Imperial and the Provincial Engineer services. The reorganisation of these services are under the consideration of the Government of India.

3. The recruitment to the Provincial Engineer Service which is made by the Local Government and to the Upper Subordinate service which is made by the Chief Engineer, has so far been made on considerations of qualifications without any reference to the ~~candidate being taken in an interview~~ ^{class to which the candidate belongs.}

4. The question is one which affects not only the P.W.D. but also other departments. The answer therefore will perhaps be framed in the Public Department. The file may be sent to ^{the Legislative} ~~the~~ Department after perusal by H.M. ^{for transmission to the} ~~the~~ question.
