For the Registrar

The Govt. have not authorized any publishing companies to print and publish school text-books.

In 1916 the Honble Mr. B.N. Sarma moved a resolution in the local leg. Council recommending that the Govt. should undertake the preparation and publication of suitable text-books in the principal vernaculars of the Presidency for use in elementary and secondary schools. The Honble Mr. Stone remarked, in

opposing the resolution, that what the Govt. should do to improve the supply of text-books was to cooperate with the publishers by letting them know what sort of books the Educational Deptt wanted. In communicating a copy of the resolution, the Govt. requested the D. P. I. to see what cooperation could be given to the publishers by the Department. (Vide Lgs. No. 681 EdL dated 22-6-1916). It is not known whether the D. P. I. has taken any steps with reference to this order.

It is submitted that the D. P. I. may be requested u.o. to state whether any arrangements have been made with the publishers and to suggest a reply to the question recommending the Govt. to publish school text-books.
