Sir,

I have the honour to address Government regarding the grant of a rent allowance to that member of the staff of the Government Training School for masters, Calicut, who is deputed to do the duties of the Manager of the Hostel attached to it.

2. The Hostel is located in a public building and the maximum number of members that can be accommodated along with the resident-manager is 25. Of late, there have been additions to the strength of the Hostel and in view of the limited capacity of the present building the Headmaster in

the interests or the health of the boarders was obliged to take an adjoining house with effect from 11th August 1917 on a monthly rental of Rs.7 which has been considered by the Public Works Department to be reasonable. The Manager of the Hostel was asked to take up his residence in the rented building and as a consequence it was possible to admit five more students into the Hostel. The Manager is responsible for the discipline and good behaviour of the boarders out of school hours and should therefore be regarded as having specific duties to perform as laid down in G. O. No.25 Educational dated 15th January 1909. Moreover, he is paid no remuneration for his extra work and as I venture to think that the renting of free quarters to wardens referred to in the G. O. quoted above and the renting of warden's quarters are in effect much the same thing, I beg to request that Government will be pleased to approve of the Headmaster's action which has my support and sanction a rent of Rs.7 per mensem for the house engaged for the Manager from the 11th August last.

3. The extra expenditure involved by the proposal will be met from the budget provision under contingencies on account of Government Training Schools for masters.

I have the honour to be,

Sir,

Your most obedient Servant,

R. A. Arivu.
