G.O. No. 593, Educational, dated 29th May 1916.

ABSTRACT.—Communicating to the Director of Public Instruction and to certain other officers the resolution of the Government of India No. 399, dated the 1st May 1916, on the subject of State scholarships and directing its publication in the *Fort St. George Gazette*.

II

Letter—from the Hon'ble Sir E. D. MACLAGAN, K.C.I.E., C.S.I., Secretary to the Government of India, Department of Education (Education).

To—the Secretary to the Government of Madras, Home (Education) Department.

Dated—Simla, the 18th February 1918.

No.—119.

I am directed to state, for the information of the Governor in Council, that the Government of India have had under consideration the question of insisting upon the possession of a degree of an Indian University by candidates for the State scholarship which is awarded annually to a male member of the Domiciled Community and that, after consulting the Educational Adviser at the India Office, they have come to the conclusion that a degree, though desirable, is not always essential for this scholarship. It is necessary only in the case of scholars who desire to study at Oxford. The Government of India consider, however, that, in awarding the scholarship, preference should be given to graduates and they have therefore decided to raise the maximum age-limit of the scholarship to 22 years so as to render it more easy for graduates to compete.

2. I am to request that Appendix I to this department resolution No. 399, dated the 1st May 1916, may be amended accordingly.

Order—No. 308, Home (Education), dated 6th March 1918.

Communicated to the Director of Public Instruction for information and guidance.

2. The following notification will be published in the *Fort St. George Gazette* :—

*From the Secretary to the Government of India, Department of Education, No. 119,
dated 18th February 1918.*

The scholarship was instituted in 1907 and the age limit of candidates then fixed was 22 (page 2 of G.O. No. 200, Educational, dated 5th April 1907). This was subsequently modified in the Government of India letter No. 812, dated the 11th October 1907, printed in G.O. No. 754, Educational, dated the 13th November 1907, the limit having been placed above 18 and under 21 years. The Government of India now desire that the maximum age limit should again be raised to 22 years.
