Station Madras, Dated the 12th February 1918 191

From (Name) C.A. Innes Esq., I.C.S.

(Designation) Director of Industries.

To The Secretary to the Government of Madras,
Home (Education) Department.

Sir,

As a result of the Lace Exhibition held in
Madras in November 1916 I circularized all the lace-making
institutions in this presidency with a view to ascertain
in what way the lace industry could be extended. One of
the suggestions made to me was that an industrial class
might be opened in the Government Robert Secondary and
Training School, Royapettah, for the benefit of the poor
Gosha Muhammadan women who appear to possess an aptitude
for needle work. An industrial class has recently been
opened ^{in the} with latter school for outside whole-time workers
and in consultation with the Director of Public Instruction
I have recognised it on the understanding that the
Inspectress of Schools, Central Circle, should run and

2

supervise the class. The Inspectress states that it is necessary to offer scholarships in order to attract pupils to the industrial section and I accordingly propose to sanction 3 scholarships of Rs.5/- per mensem and 6 on Rs.3/- But as the School is of a special character, the conditions prescribed in the Scholarship Notification (copy enclosed) cannot be enforced. I therefore request the sanction of Government for the relaxation of these conditions in order to award these special scholarships.

2. The expenditure during the current year which will be ^{within} Rs.58/- can be met from the allotment for "Scholarships"

I have the honour to be,

Sir,

Your most obedient servant,

Calmer
Director of Industries.

of Rs 2 each in the Holbert Secondary School, Royapettah comes to Rs 32 per annum. From the Director's letter - especially para 2 where he refers to Budget provision - it appears that his intention is to award these scholarships in addition to the 199 scholarships referred to in the notification on Page 3 Current file. If this is ^{the} sanction of Government is necessary not only for the relaxation of the rules governing the grant of Government scholarships but also for the award of the ^{new} scholarships. ~~Sanctions~~

2. The draft G.O. specifically sanctions the relaxation of the ^{rules} ~~conditions~~ only; and it seems, it is submitted, preferable to amplify it so as to sanction the award of the scholarships also.

3. Subject to orders on Para 2 above the draft may, it is submitted, be accepted
