Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., C.I.E., Director of Public Instruction.

To—the Secretary to Government, Home (Education) Department.

Dated—Madras, the 25th February 1918.

No.—R.C. 26 of 1916.

With reference to Government Memorandum No. 1543 B-2, Home (Education), dated 18th December 1917, I have the honour to submit a copy of letter, dated 20th February 1918, from the Rev. J. H. Maclean, Convener of the committee for the management of the former German Mission schools, and to recommend that the Missionary Educational Council of South India may be permitted to undertake the management of all the hostile alien mission schools for another year from 1st April 1918 on the same conditions as those at present in force and that recognition and aid may be continued to the schools up to 31st March 1919. The question of the future of such of the Basel Mission schools as the council may find itself unable to maintain during the course of the year may be considered on receipt of such notice from the council.

ENCLOSURE

Letter—from Rev J. H. MACLEAN, M.A., B.D., Convener of the committee for the management of the former German Mission schools.

To—the Director of Public Instruction.

Dated—the 20th February 1918.

With reference to your proceedings Ref. No. 26 of 1916, dated 22nd December 1917, I have the honour to say that I am instructed by the council to inform you that in the case of the former Schleswig-Holstein, Hermannsburg and Leipzig Mission schools the council is willing to continue the management of the schools for another year from 1st April 1918 on the same terms as those at present in force.

In the case of the Basel Mission I am instructed to inform you that owing to (1) the reduction in the profits of the Industrials, (2) the danger that the company may be liquidated in the course of the year, and (3) the uncertainty of sufficient help coming from other sources, the council regrets that it cannot give such a definite guarantee as in the case of the other three missions, but that the situation will be carefully examined by the educational committee and timely notice given regarding such schools as the committee may find itself unable to maintain.

With regard to the committees all the members who are available are willing to continue to serve, but one has died, several have left the country, and others are likely to go soon. I hope to submit to you in a few days a list of fresh nominations to fill the vacant places.

Order—No. 336, Home (Education), dated 14th March 1918.

The Missionary Educational Council of South India having again expressed its willingness to undertake the management, up to the 31st March 1919, of hostile alien mission schools on the same conditions as those specified in G.O. No. 253, Educational, dated the 8th March 1916, the Government accept the offer and direct that recognition and aid be continued to the schools up to the 31st March 1919.
