SIR,

With reference to your Proceedings Ref on C No. 2733 of 1917 dated 7--7--1917, communicating that the Government have been pleased to sanction a grant not exceeding one half of the actual expenditure or Rs. 6,800 towards the cost of the construction of the Science Laboratory in connection with the Taylor High School, Narsapur, I have the honour to state that the work has been given to a contractor and according to the terms of the contract, the rolled steel Girders 16" x 6" x 62 lbs. provided for in the estimate have to be supplied by the committee.

2. I have addressed most of the Firms in Madras, Bombay and Calcutta (as per list enclosed) for the supply of these Girders and all of them except Messrs. Martin & Co., Calcutta have replied that they cannot supply the same. Messrs. Martin & Co. have replied that they can supply 'Built up Girders' at Rs. 60 per cwt. within 4 weeks from the receipt of order. Copies of letters and sketches of the Beams received from the Company are herewith submitted for your kind perusal.

3. I addressed a Letter to the Chief Engineer through the Superintending Engineer II Circle, Bezavada, requesting him to get the estimate revised but the latter returned my

letter without submitting it to the Chief Engineer. My letters and the Superintending Engineer's reply, in original, are also herewith enclosed.

4. I therefore request that you will be pleased to give us permission to use Built up Girders in place of the rolled steel Girders as provided for in the estimate at Rs. 20 per cwt. and to get the estimate revised in the light of the enhanced rate asked for by the Firm (Messrs. Martin & Co.) so that there may be no delay in getting the Girders in time. A copy of the estimate is also submitted.

(This may be considered when the S.P.S. makes a recommendation)

5. I further request that you will be pleased to recommend to Government that a half of the amount exceeding the present estimated cost of the Science Laboratory be --- sanctioned also.

I have the honour to remain,
Sir,

SIR,

With reference to your Note No. 3775 C dated 13--6--17
received with Proceedings G.O. No. 846 Home Education dated
25--6--1917, I have the honour to bring to your notice that
the Firms as per enclosed list, Bombay, Calcutta and Madras
have replied that they cannot supply the rolled steel Girders
of 16" x 6" x 62 lbs. required for the construction of the
CAMPBELL LABORATORY of Taylor High School, Narasapur. But
Messrs. Martin & Co., Calcutta replied that they can supply
"Built up Girders" at Rs. 60 per cwt. The copies of their
letters as well as the sketches of the Beams (in original)
from the company are herewith submitted for your kind perusal.
A copy of the estimate is also submitted for reference.

I, therefore, request that you will be so kind as
to give us permission to use "Built up Girders" in place
of the rolled steel ones as provided for in the sanctioned
estimate at Rs. 20 per cwt. and to get the estimate revised
with the rate asked for by the Firm (Messrs. Martin & Co.,
Calcutta) so that there may be no delay in getting the girders
in time. I further request that you will be pleased to
recommend to Government that a half of the amount exceeding
the present estimated cost of the Laboratory be sanctioned.

6
The work of Foundation is now proceeding on and
the building will be ready to receive the girders about the
end of March 1918.
