From (Name) C. A. Innes, Esquire, I.C.S.,

Home (Education) Department.
Through the Accountant-General, Madras.

Sir,

I have the honour to submit in original an application from M.R.Ry. Rao Bahadur T. Vijayaraghava Acharya Avl. Officer on Special Duty in connection with the Industrial Exhibition asking for a conveyance allowance of Rs.100 per mensem for the period of his special duty.

2. In G.O.No. 1389 Home (Education) dated the 5th November 1917 Mr. Vijayaraghavacharya's pay and allowances while on special duty were fixed at the salary equal to that which he would draw as Acting Secretary to the Board of Revenue (Revenue Settlement) viz. Rs.900 per mensem plus a deputation (local) allowance of Rs.100 per mensem. I understand that the local allowance was sanctioned in

3

view of the extra work thrown on him by his special duty and I can answer for it that the work he had to do in connection with the Exhibition was not only exceptionally heavy but also work of an exceptionally trying kind.

3. It was also work which to a great extent had to be done by Mr. Vijayaraghacharya personally at high pressure and I am personally aware that he kept both a motor car and a motor side car. I have seen his bills for the 4 months. They amount to Rs. 750, and having regard to the actual amount spent by Mr. Vijayaraghacharya on travelling in the city on Exhibition work as well as to the wear and tear of his motor car and cycle, I strongly recommend the grant ~~of~~ of the conveyance allowance asked for viz. Rs.100 a month for the period of special duty.

4. The amount of the allowance will presumably be debited to the Exhibition. I have not had time to consult the members of the Executive Committee, but I am sure ^{that} they would willingly agree to the conveyance allowance proposed. The exhibition can easily bear the charge.

5. Very early orders are asked for as I want to close the Exhibition accounts by the end of this month.

I have the honour to be,

Sir,

Your most obedient servant,

Chinn

Director of Industries.

To

The Director of Industries,

Madras.

Sir,

I have the honour to report that during the last four months that I have been on special duty, I have had a very considerable amount of travelling to do within the city. To enable me to do my work, I have been maintaining a four-seated motor car and a motor cycle with a side car. Most of my work has been of a very urgent nature which had to be done in a limited time and I have had to keep both conveyances in good running order, so that if one was temporarily disabled I could use the other without delay. You have seen my bills for these four months. The total outlay on my car and cycle has come to Rs.750. This includes Rs.180 paid for two car covers. Excluding this, the cost amounts to Rs.570, petrol, mobil oil and carbide alone accounting for over Rs.300. Under the circumstances I request that you will be so good as to move Government to grant me a conveyance allowance of Rs.100 per mensem for the period of my special duty. A similar rate of allowance is paid to the Assistant Commissioners and the Deputy Commissioners of the City Police for keeping a four-seated car. I may add that I have also been keeping a carriage and horse, but excepting two or three occasions when both my car and cycle broke down, the turn-out was used solely for private purposes.

2. In this connexion I request that the deputation allowance

-2-

granted to me for the period of my special duty may be declared to be a "duty" allowance. Not only was there a considerable addition to my work but as the larger portion of it had to be done within a limited time it was done under conditions of stress and anxiety.

I have the honour to be,

Sir,

Your most obedient servant,

T. Vijayaraghavacharya

Officer on Special Duty.

- The period of special duty of Mr Vijaya-
Raghava Acharya has been extended up to
(G) the 15th February - O.C. 83 Pubd 22.1.18. There is
no information as to whether the Exhibition
will yield sufficient profits from which
7/8 of the pay of Mr Vijayaraghavaracharya during
his special duty, can be recovered. Attention
is solicited to H.M. (Trinl)'s remarks
(C) on p. 5 of G.O. 669 Trinl 2 12.10.17 from which
it will be seen that the Ex^h guaranteed
the Committee for exhibition against any
deficit. In these circumstances it is for
consideration whether the file may be over
till the expiry of Mr Vijayaraghavaracharya's
Special duty, and the accounts of the exhibition
(G.O. 22.1.18) are finally made up.

I think this wd. be best.

Yes; the file may be taken up
again about 20 Feb 1911/12

Submitted the file may now be sent to

whether the accounts of the exhibition have been finally
made up and if so whether it fetched sufficient
profits from which $\frac{1}{3}$ of the pay of Mr. Vijayaraghava

[C no 679A] from the Officer in charge of the Dept of Education
No 2480 of 12.2.18.

In G.O. No 1389 Home Dept of 5.11.17
Mr Vijayaraghava Acharya was allowed to
draw during the period of his special duty
a salary equal to that which he would draw
as acting Secretary to the Board of Rev Vij
Rs 900 p.m. plus a deputation local allowance
of Rs 100 p.m. This allowance was sanctioned
on the ground that the work would be physically
much more tiresome than sitting comfortably
under a fan in the Board's office - vide H.M.
Financial's note on page 6 of G.O. 1389 of
5.11.17. In the circumstances explained in
para 3 of his letter on p.3 of. Mr James
appears to have made out a sufficiently strong
case for the grant of a conveyance allowance
to Mr Vijayaraghava Acharya. But in regard
to the rate of the allowance proposed by Mr
James viz Rs 100 p.m., the Accountant General
considers that under the rule laid down by the
Govt of India in their resolution recorded in
G.O. 120 Finl of 28.2.17, the allowance should
not exceed the cost of maintaining two horses
or a carriage and a horse. He presumably
considers that the cost of maintaining two horses
or a horse and a carriage would not exceed

No 50 or 60 the Scale laid down by the Govt of India in the year 1888 (p. 197 of the Madras Supplement to the C.S.R.). But these rates are ^{fixed long ago} ~~fixed long ago~~ and the Govt. of India themselves stated that the amounts of the Convergence allowance that might be sanctioned need not be restricted to the amounts specified in the Scale referred to. Vide para marked A in the Govt. of India's resolution printed in G.O. 120 of 28.2.17. ^{in which} ~~in which~~ is also solicited to para 2 of G.O. 745 of 29.4.15 the Govt. of India ^{have} ~~have~~ themselves sanctioned the grant of convergence allowances to the D.I. Commissioners and assistant Commissioners of the City Police at the rates of Rs 10 and Rs 75 p.m. Subject to the condition that maintain a four seated or a two seated car respectively. Mr Vijayraghava Acharya maintains a four seated car. In these circumstances it is for consideration whether the convergence allowance may be fixed at Rs 100 p.m. as proposed by Mr James. The sanction of the Govt. of India does not seem necessary.

Subject to orders a draft is submitted for approval. It may be sent to Finance for acceptance or remarks.
