Sir,

(B)  
With reference to the proposal sanctioned in G.O. No. 1381, Home (Education), dated 2nd November 1917, I have appointed Mr. J. Vincent Mendis as Assistant Physical Director temporarily for a period of two years on a salary of Rs. 150/- per mensem with effect from the 1st December 1917. The duties of this officer require that he should be able to move about the city quickly and frequently and his work will be greatly facilitated if he has the use of a bicycle. It is an exceptional appointment which requires exceptional arrangements. I have therefore the honour to request the sanction of Government for the

Sir,

In their order No. 1281 Home (Education), dated 2nd November 1917, Government were pleased to sanction the employment for a period of two years of an Assistant Physical Director on a salary of Rs.150 per mensem and Mr. Vincent Mendis who was proposed by Mr. A.C. Noehren as having been highly recommended by the various schools and organizations in Ceylon where he had served in a similar capacity, was appointed to the post from 1st December 1917. Mr. Mendis states that the character of his work is such as to render a residential office building indispensable to him as Scout masters have to be frequently interviewed and as it is of great advantage to have a

centre where books and other equipment can be kept for reference. Further he will have to visit the different scout patrols organized in the Madras City, Saidapet, Perambore etc., periodically. He therefore applies for the grant of a special allowance of Rs.40 per mensem of which Rs.25/- is to enable him to occupy a residence in which he can suitably hold his office and Rs.15 for meeting conveyance charges incurred during his patrols. His request seems to be reasonable particularly as the alternative, his living in Y.M.C.A. quarters is undesirable, and I have the honour accordingly to request that Government will be pleased to sanction on his behalf a local allowance of Rs.40 per mensem with effect from the date of his taking charge.

2. I further beg to request that as the services of an attendant are obviously necessary for him sanction may be accorded to the employment of a peon on Rs.9 per mensem without claim to Grain Compensation Allowance with effect from 1st February 1918, the appointment to last until sanction to the employment of the Assistant Physical Director lasts.

3. The extra expenditure of Rs.129 during the current year can be met from the anticipated savings in the provision under "22 E.Education Government schools-General - other Secondary schools for boys".

I have the honour to be,

S i r,

Your most obedient servant,

for Director of Public Instruction.

CNo. 449 A from the D.D. no 6022 6.2.18

In modification of his original proposal to purchase a bicycle for the Assistant Physical Director, the D.D. now recommends the grant to him of an allowance of Rs 40 p.m (Rs. 15 for conveyance and Rs 25 for office and residence) Submitted that this may be approved with the concurrence of Financial.

The Director ~~now~~ suggests that the allowance should be given effect to from the date of his Mendis taking charge. Apparently he ~~is~~ has been living in Y.M.C.A quarters and is to fix with a new residence (provisional with office) hereafter. If so the allowance need not have retrospective effect and may perhaps be sanctioned with effect from 1<sup>st</sup> February 1918. ~~orders are submitted~~ Mr Mendis is not also likely to have incurred any large amount on account of conveyance charges in the first two months of his appointment. ~~It~~ It may be sufficient perhaps to sanction this also with effect from 1<sup>st</sup> February. Orders are solicited.

2. The employment of a person on Rs. 9 p.m without f.c.a. from 1-2-18 may also be ~~sanctioned~~ <sup>sanctioned</sup>.

The case for an allowance of Rs 25 for a residence in which the Assist Director may hold his office seems not convincing.

It is not known why accommodation <sup>should</sup> ~~not be found~~ for his office in the old College buildings or in any of the Public offices or institutions. The P. W. D. may have to be consulted on the latter point. If <sup>it</sup> is proposed to save from the allowance, it may be necessary to ascertain in what locality his residence is to be fixed & what will be the total rent of the house engaged & what proportion the portion utilized for the office will bear to the total amount available. If the residence is settled in an ~~un~~ unpeopled corner of the City, the very object of paying the allowance & engaging a house will be defeated.

The allowance for conveyance may be sacrificed.

I think that so far as the Registrar's directions are concerned, I would leave the decision to the D. P. I.

The proposals of the D.P.I. are.

- (1) That Mr. Mendis may be granted a special allowance of Rs 20 per mensem - composed of a conveyance allowance of Rs 15 and an office allowance of Rs 5 and
- (2) That he may be allowed to have a room on Rs 9 per mensem within C.C.B. The D.P.I. recommends that

The special allowance should be sanctioned with effect from the date of taking charge and the employment of the person with effect from 1.2.18.

2. Hon'ble (ES) are in favour of the grant of conveyance allowance from the date of assumption of charge and the office allowance from the date a separate office is taken up. Financial may, it is submitted, accept the latter, but with regard to conveyance allowance, it is submitted that such allowance is not generally given with retrospective effect except for special reasons, no such reasons have been adduced. For orders whether the grant of the allowance with effect from the date of assumption of charge will be accepted.

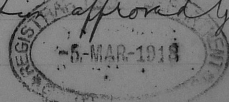

3 House (Edl) are also in favour of the employment of a person from the date of actual enlistment. The may, if it is submitted, be accepted. The proposed, viz.
