Copy of a letter No.M-1075,dated Madras, the 22nd February 1918, from the Controller of Munitions, Madras Circle, to the Secretary, Indian Munitions Board, Delhi.

I have the honour to request that subject to the approval of the Government of Madras Mr.L.B.Green, Assistant Director of Industries in this Presidency may be appointed Assistant Controller of Munitions, Madras Circle.

2. I am unable to leave Madras at present for long periods owing to press of work, and Mr.Green spends 10 days or a fortnight every month on the West Coast inspecting and passing coir screening, matting, and other coir goods on behalf of the Indian Munitions Board. He is not at present an officer of the Board, and strictly speaking has no power to pass goods for the Board. I consider therefore that the position ought to be regularized by the appointment of Mr.Green as Assistant Controller of Munitions. Mr.Green while in Headquarters also assists me in munitions work and when I am away from Madras carries on the work of the office.

3. The proposal will involve no extra expense for the Board. Mr.Green will continue to draw his pay as Assistant Director, and his travelling allowance on journeys for munitions work is already, I am informed by the Accountant-General charged to the Board.
