Station Madras, Dated the 26 February 1918

From (Name) The Hon'ble Mr. J.H. Stone, M.A., F.R.H.S., C.I.E.,

(Designation) Director of Public Instruction, Madras.

To The Secretary to the Government of Madras,

Home (Education) Department.
Through the Accountant-General.

Sir,

In forwarding to this department a petition from the inhabitants of Malappuram and Kottur ansams praying for the raising of the Model section attached to the Government Training school, Malappuram to an incomplete secondary school, the collector of Malabar stated that the Malappuram Taluk Board was unable to open a higher elementary school for Mapillaps at Malappuram although one was considered necessary by the President. The Inspector of schools, Vill circle, who was thereupon consulted is of opinion that the opening of higher standards in the Model section of the Government Training school in the locality is likely to increase not only the number

number of Mapillais reading in those standards but also ultimately the number seeking admission into the training section. He accordingly recommends that the sixth, seventh and eighth standards be opened in the school gradually at intervals of a year. The Inspector of European and Training Schools supports the circle Inspector's recommendation. In these circumstances I have the honour to request that Government will be pleased to approve the proposal to open higher standards in the school and to sanction the employment for one year from 1-7-18 of an additional teacher on Rs. 30/- per mensem to be in charge of the sixth standard to be opened on that date.

2. The existing staff of the Model section consists of 5 teachers on Rs. 25, 2(20), 15 and 12.

3. Should Government approve the proposal I request that the necessary provision for the salary of the additional teacher amounting to Rs. 240/- during the year 1918-19 may be included in the budget estimates of that year.

I have the honour to be,

Sir,

Your most obedient servant,

for Director of Public Instruction.
