PUBLIC WORKS DEPARTMENT.

Office of the Superintending Engineer,

Third Circle,

ENDORSEMENT.

M.R.Ry. Rao Bahadur L.D.Venkatarama Ayyar Avl., B.A., B.C.E.,
Superintending Engineer, Third Circle,

Read - the following paper:-

From the Ag. Inspector of Schools, III Circle, Bellary,
No. 24-Genl. of 1918, dated the 9th of March 1918:-

With reference to your letter No. 2243 of 1918, dated the 2nd March 1918, I have the honour to inform you that as the building used by the Additional Sessions Judge will be available only for a very short period, i.e. till the 17th June 1918, and there is no certainty of my office being permanently located in it, it will be a great inconvenience and trouble to remove my office - temporarily to that building. I need not point out to you that by constant shifting of a big office like mine which has a lot of records and furniture pertaining to five districts, there will be a great dislocation of work and also unnecessary expenditure to the State in the shape of carriage of records. The Director of Public Instruction requests me to ascertain from you whether the house lately used by the Additional Sessions Judge is spacious enough to accommodate my office and also the offices of the Asst. and Sub Assistant Inspectors of Schools. The latter two offices also have to be housed in convenient buildings as the present buildings wherein these offices are held in the Fort have been condemned by you as unsafe. I now learn that the building referred to by the Director is the upstairs halls of the office of the Superintendent of Police. In the case of this building, I fear that it will not accommodate three offices, more so the staircase and doorway may not let in all the furniture of my office (big - bereaus, boxes and record racks).

There are two private buildings available for rent within the Fort and they may not be available after 17th June 1918 or at the time I may require when I shall have to vacate my office from the building used by the Additional Sessions Judge. The owners

The owners of the buildings are not willing to let them for rent as a temporary measure unless they are taken up permanently.

In the circumstances detailed above, I have the honour to request that you will be so good as to furnish me with a certificate that there is no public building available for holding the offices permanently.

Copy forwarded to the Secretary to Government, Public Works Department, in reference to para 2 of G.O. No. 340-W, dated the 9th of March 1918. In the circumstances explained above, it may be more advantageous to move the office directly into a hired building in preference to housing it temporarily in the building that was used by the Additional Sessions Judge.
