No. 166

Station Madras, Dated the 12th March 1918

From (Name) A. H. Longhurst, Esq.,

(Designation) Superintendent, Archaeological Survey
Southern Circle.

To The Secretary to the Government of Madras,

HOME (EDUCATION) Department.

Sir,

For St. George.

I have the honour to request that the new F.W.D. Sub-Overseer recently appointed as Superintendent of Hampi Ruins may be supplied with a copy of my little book of Hampi Ruins in order that he may understand the historic and architectural value of the monuments at Hampi which he is now in charge of.

2. I was at Hampi last month and met visitors there who had not heard of the book in question which indicates that the book is not sufficiently advertised by Messrs Higginbothams to be of much service to the educated public.

I have the honour to be
Sir,
Your most obedient servant.

A. H. Longhurst.
Superintendent.

From the Superintendent, Archaeological Survey, No. 166, dated the 12th March 1918.

Subject. - Supply of a copy of the "^{Hampi} ruins" to the Suboverseer in charge of the monuments.

A draft order sanctioning the supply of a copy of the publication to the Sub-overseer at Hampi is submitted.

2. With reference to para 2 of Mr. Longhurst's letter, it is submitted that the Superintendent, Government Press, has already been asked to widely advertise the book; and presumably the book has been made available for sale by all agents for the sale of Government publications including Messrs. Higginbothams. Perhaps after issue of the draft the Superintendent, Government Press, may be asked if anything further can be done to secure a wider advertisement to the book. It may be useful if the work could also be placed on sale with book-sellers who are not agents for the sale of Government publications as was done in the case of Mr. Fyson's "Flora of the Nilgiri and Palni Hills - vide para 2 of G.O.No.1435, Public, dated the 5th October 1915.
