Resolution

Reference. No. 337, dated 12th March 1918.

(E)

In continuation of its Reference No. 298, dated 10th February 1917, disposed of in G.O. No. 315 Home (Education) dated 7th March 1917, the Board submits a further supplemental list of persons employed in the Survey Department, who have been recommended by the Director of Survey for permanent exemption from passing certain departmental tests. The names of these persons were not included in the previous supplemental list, because the Director had not before him, at the time of submitting it, full information regarding

their

their capabilities and fitness for exemption. Mr. Hasted states that the names now recommended complete the list of persons whose exemption from departmental tests was contemplated in paragraph 1(2) of G.O. No. 587 Rev., dated 14th March 1916. The Board - - observes that, while the exemption therein contemplated applies to persons who were holding at the time posts on more than Rs. 20 a month, individual No. 3 in the present list - K.S. Anantarayana Ayyar - was drawing only Rs. 20 on the date of the G.O. This man - is, however, now drawing Rs. 25 a month and the Board has included his name in the list.

2. At the instance of the Director of Survey, the Board also recommends, in this connexion, the permanent exemption of M.R. Ry. G.S. Panchapakesan, permanent Deputy Surveyor on Rs. 40 and - - temporary Head Surveyor on Rs. 100 in No. I Survey Party, from the operation of Article 1 of the Public Service Notification with a view to his confirmation in the upper subordinate field grades in the department. The man entered service in August 1902 as a field surveyor and by hard and good work rose to the Head Surveyor's grade in December 1910. He has been a Head Surveyor ever since and was promoted to Rs. 100 in April 1915. He has passed the Lower Secondary examination in the first class but failed to pass the Matriculation examination for which he appeared once. He has also completed the several departmental field tests besides passing in seven subjects in the Government - - Technical Examinations and is reported to be able to write his reports and decisions in land complaint cases in good English. His case is on all fours with that of the five permanent Deputy surveyors who were granted similar exemption in G.O. No. 1214 - - Home (Education) dated 20th November 1916.

In para 1(2) of E.O. no. 587 of 14-3-16 the E.O. ruled that temporary appointments on more than Rs 20 in the Survey Department should not be excluded from the scope of the departmental tests. In order to avoid administrative

inconvenience the E.O. considered that persons holding posts on more than Rs 20 who are never likely to pass the tests and are yet efficient should be permanently exempted. The Board of Revenue was requested to submit a list of such persons for orders of E.O. In accordance with this

Page 34 of 90 315 Home E.O. 7/3/17

instruction the Board previously submitted lists of persons for permanent exemptions. They were exempted in E.O. no. 315 Home (E.D.) 7-3-17

2 In the current reference the Board of Revenue submits a Supplemental list of 18 persons for permanent exemption from passing the departmental tests required of them and states that the names of these persons were not included in the previous list submitted to Govt. because the Director of Survey had not before him at the time of submitting the ^{previous} list full information regarding their capabilities and fitness for exemption.

34 Recently in G.O. no. 1021 Home (ED.) 26-8-17 it has been ordered that the possession of a completed Secondary School leaving certificate or its equivalent should be prescribed as the ^{minimum} ~~maximum~~ general educational qualification for admission to any post in the Superior Service. However in view of the fact stated by the Board that these names were omitted to be submitted last year as the Director had not the full particulars it is submitted that the exemption of these persons mentioned in the list at page 3 C.F. may be supported in Revenue

Para 1 p 10 of Co 587

(H)

The Board observes that K.S. Anantha naryana Ayyar was drawing Rs 20 on the date of Co. No. 587 of 14-3-16. but that he is now drawing Rs 25. Strictly speaking this is an irregularity as men without ^{joining the} departmental test should not have been promoted to Rs more than 20 under the proposals approved

in Co. No. 587 of 14-3-16. The B. however joins over the matter. No remarks seem necessary.

6 With reference to para 2 of the Board's reference recommending the exemption of Panchapekasan, permanent deputy surveyor on Rs 40 and temporary head surveyor on Rs 100 from the operation of Article I of the Public Service notification it is submitted that only those head surveyors and sub assistants who were holding permanent appointments in those grades on the date of Co. No. 3407 of 22-11-13 are excluded from ^{the operation of} that article.

In the circumstances stated by the Board it is submitted that the exemption of this individual may also be supported in Rev.

If the file may, it is submitted, be sent to Home (Educational) Department for issue of orders.
