From (Name) The Hon'ble Mr. J. H. Stone, M.A., F.R.H.S.,
C.I.E.,
(Designation) Director of Public Instruction,
MADRAS.

To The Secretary to the Government of Madras,
HOME (EDUCATION) Department.
/Through the Accountant-General, Madras/.

Sir,

I have the honour to request that you will be so good
as to obtain the sanction of Government for opening a
weaving class in the Government Muhammadan Elementary School,
Mirsahibpet, and for incurring the following charges in
connection with it:-

SALARIES

Pay of the weaving instructor Rs. 20 per mensem with ^{out} claim
to grain compensation allowance
Pay of the spinning Assistant Rs. 8 per mensem with ^{out} claim
to grain compensation allowance.

Cost of materials Rs.950 at Rs.80 per manseem
Initial outlay on tools Rs.300

2. In June last the inhabitants of Mirsahibpet submitted a memorial requesting among other things that a class for imparting instruction in weaving may be attached to the Government Muhammadan Elementary School in the locality. It has been ascertained that more than half the pupils of the school are the children of weavers, who, it is stated, are naturally anxious that their children should learn their hereditary trade at school. The proposal commends itself to me in as much as a class of the kind would probably keep the Muhammadan boys longer at school and would merely replace the carpentry class proposed to be closed with reference to G. O. No.1440 Home (Education) dated 16th November 1917.

3. It may be anticipated that the expenditure on account of materials referred to in para (1) supra will be made good by the receipts from the sale proceeds of the finished products.

4. The proposal, if sanctioned, may have effect from the next school year, i.e., from 1st July 1918 and I beg to request that the necessary provision for expenditure during 1918-19 (viz., salaries Rs.224, supplies and services Rs.1020) may be included in the Budget Estimates of that year.

I have the honour to be,

Sir,

Your most obedient Servant,

Subject. opening of weaving class in the Gorkh Muhammadan Elementary School, Mirsahibpeth.

In the circumstances stated by the D.P.J. in para 2 on p 2 of his letter in the C.F. the proposal for the opening of a weaving class in the Gorkh Muhammadan Elementary School, Mirsahibpeth. may be approved.

2. The Director proposes the employment in the school of a weaving instructor on Rs 25/- per month and a spinning ~~assistant~~ on Rs 8/- per month both without claim to G.C.A. The pay proposed for the weaving instructor appears reasonable as a similar instructor employed in the Gorkh Girls School, Tiruchengode is paid Rs 25/- per month and it may therefore be approved.

The necessity for the employment of the spinning assistant ^{has not been explained in} the Director's letter. It may be noted in this connection that the weaving class attached to the Tiruchengode Girls School employs no such assistant.

3. The file may be sent to the D.P.J. for remarks as to the necessity for the spinning Assistant.

It appears that all the weavers in the locality employ a spinning woman and her services are reported to be indispensable. Local habits in Dindigul are presumably different.

weaving class is to be opened in a boys' school, and the objections raised in 1913 will not therefore apply. It is also stated that the class will probably keep the boys longer at the schools. In the circumstances, the proposal to open the weaving class at Mirsalibpet may, it is submitted, be agreed to. The rates of pay proposed for the Weaving Instructor (Rs 20) and the Spinning Assistant (Rs 8) call for no remarks.

2. The draft order may, it is submitted, be accepted. On receipt of a copy of Home Dept. proceedings, the Accl. Genl. may be asked to enter the necessary provision in the C.B.E. for 1918-19 without altering totals.
