To The Secretary to the Government of Madras,

Home (Education) Department.
Fort St. George.

Through the Accountant General, Madras.

Sir,

In their Order No. 1105 Home (Education) dated 29-8-17 Government were pleased to sanction the proposals in regard to the opening of the Secondary training ~~sections~~ sections in the Government Training schools at Nellore, Dindigul and Tinnevely and in the Ceded Districts College, Anantapur, the employment of the establishment required for the purpose and also the payment of certain allowances to the staffs of the institutions to which they were attached for the assistance in teaching rendered by them. The proposals were given effect to from August 1917. The Inspector of Schools, II circle, reports that owing to the absence of Forms I to III in the

model

model school attached to the Government Higher Elementary Training School, Nellore, he has arranged for the students of the Secondary Training section to practise teaching in the higher elementary forms in the Venkatagiri Rajah's High School, Nellore and both he and the Inspector of European and Training schools recommended the grant during the working months only of a conveyance allowance to the teacher in charge of the class as he has to go to the Venkatagiri Rajah's High School which is situated at a distance of about 6 furlongs, to supervise ^{the} observation work of the students. I am considering the question of opening higher standards up to the seventh in the model school attached to the Nellore Training School. As, however, the secondary training section in the school is only of a temporary nature and it is doubtful if the additional accommodation required will be available, higher elementary standards cannot be opened immediately. But as conveyance charges are now actually incurred by the teacher the Inspector recommended the grant to him with effect from 16-8-17 of an allowance of Rs.15/- per mensem.

2.. The Principal, Ceded Districts College, Anantapur, also reports that the theoretical portion of the work of the secondary training ~~section~~ students is done at the college in the fore-noon and the practical work in the after-noon at the local Municipal High School which is a mile and a half away from the college and that the assistant in charge of the secondary training section could not walk the distance in the sun and is obliged to engage a conveyance and he therefore recommends the grant to him of a conveyance allowance of Rs.25/- per mensem.

3. In the circumstances reported, the proposal of an allowance, seem to me to be reasonable in each case. I have, however, fully investigated the matter and have come

to

3.
to the conclusion that a rate of Rs.12½ which represents the actual jutka charges incurred by each of the teachers for the working days is sufficient for the purpose and I have the honour accordingly to request that Government will be pleased to sanction the payment during the working months of the school of a conveyance allowance of Rs.12½ per mensem to each of these teachers with effect from the date of their taking charge of their respective posts.

4. The charge can be met from the savings -- available in the imperial grant of 4 lakhs.

I have the honour to be,

Sir,

Your most obedient servant,

G. Krishnaswami

traceable. The only case traceable is that of the parents disposed of in 1902 £8 4. 10. 15 and even this is not on all fours with the present case.

I think it is not so capital for a man to have to go a distance of a mile or two to work, without receiving a conveyance allowance from Govt.

£8 4. 10. 15

In one case a porter four hours work; in the other before hour - going easy. This proposed to provide father at about 6 acres a day. To one wd. dream of proposing this for, say, a revenue inspector or may other Govt. servants who cannot do their work without a certain amount of walking or bicycling. I shd. not object to a bicycle allowance but wd. not go further.

From the D.P.D. R.C. No 6847/17 dt 1.2.18.

In the circumstances explained in paras 1-3 of his letter the D.P.D. recommends the grant of a conveyance allowance of Rs 12 p.m. to each of the teachers in charge of the Secondary Training Sections in the Training School at Bellare and in the Ceded District.

Chennai, Madras. It is for consideration whether it will not be sufficient to each

a bicycle allowance of Rs 5 in each case in accordance with the suggestion of the Financial Dept. Subject to the usual condition that the teacher maintains in good condition and use a cycle during the period for which he draws an allowance. The D.P.D. may be requested to state whether he has a objection to the grant of cycle allowance instead of a conveyance allowance as proposed.

Art 1074 is clear. The utmost that can be sanctioned is only a bicycle allowance. Draft -

In the two cases cited, the teachers have to go to two institutions instead of one as in other training schools. But this anomaly exists in the case of other officers also of equal status serving in different stations.
