From (Name) The Hon. Mr. J. H. Stone, M.A.F.R.H.S.C.I.E.,

(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,

Home (Education) Department.

Sir,

(L)

In G.O.No. 544 Edl., dated 12th May 1914, a grant of Rs.7,555 was sanctioned towards the cost of constructing a science laboratory for the Hindu High School (now called Tirthapati High school), Ambasamudram. The work is now reported to have been completed. The Correspondent states that the total cost has come to Rs.16,464 against the sanctioned estimate amount of Rs.15,110/- involving an excess of Rs.1,354/- and requests sanction of an additional grant equal to one half of this excess expenditure. But the Executive Engineer states that only an excess expenditure of Rs.852 should be accepted, Vide his completion certificate herewith sent. In these circumstances, I have the honor to

recommend that an additional grant equal to one-half of Rs.852,
i.e. Rs.426 may be sanctioned.

2. The revised estimate received from the Correspondent is also submitted herewith.

I have the honour to be,

S i r,

Your most obedient servant,

Native.

for Director of Public Instruction.
