The Hon'ble Sri Sobha Chandra Singh Deo.

Home (Education) Department.

Q.78. Will the Government be pleased to consider the advisability of locating the proposed engineering college in some convenient centre in Ganjam instead of in the ~~plague~~ stricken town of Vizagapatam in the interests of both Uriyas and Telugus?

Hornel Education 189

(N) Please see para. 3 of Mr James's letter on p. 15 of notes to G.O. no 722 of 31.5.17 which contains the reasons for the selection of Vizagapatam for the location of the proposed engineering school (not college as stated in the question). The site for the school has also been selected. It may not be desirable to repeat the question & delay the scheme further.

2. The following draft answer is submitted for approval:—

"Vizagapatam has been selected for the location of ^{a new} ~~the proposed~~ engineering school (no college as stated by the H.M.) in view of the facilities afforded in the country around the town for outside surveying ~~and its~~ ^{and its accessibility from the district is considered to be} nearness to large railway workshops. The Govt. see no reason to modify the decision."

3. The file may be sent on to the D.P.D.

I think this is the only answer. It cannot be feared that the Government will be anticipated that any fence in the H. Council will be immune from the people.

The following is a copy of the question and answer as given at the meeting of the Legislative Council

Location of the proposed engineering college for Telugu districts.

79 Q.—Will the Government be pleased to consider the advisability of locating the proposed engineering college in some convenient centre in Ganjam instead of in Vizagapatam in the interests of both Uriyas and Telugus?

79 A.—Vizagapatam has been selected for the location of a new engineering school (not college as stated by the Honourable Member) in view of the facilities afforded in the country round the town for outdoor surveying, its nearness to large railway workshops and its accessibility from the districts it is intended to serve. The Government see no reason to modify the decision.
