(Designation) Director of Public Instruction.

Department.

Sir,

I have the honour to request that you will be so good as to obtain the sanction of Government for the opening with effect from 1st June 1918 of a hostel for the students under training in the Government Training school for mistresses, Calicut and for incurring a recurring monthly expenditure of Rs. 65 per mensem on that account as detailed in the margin and a non-recurring expenditure of Rs. 300 towards the purchase of vessels etc., required for the hostel.

Allowance to matron including wages of a sweeper (Rs. 5) and a night watchman (Rs. 7) |

2. The Inspectress of Girls' Schools, Southern Circle, states that the need for a hostel for the school has long been felt as students coming from stations outside Calicut find great difficulty in getting suitable accommodation in the town and that 22 of the first year students are ready to join the hostel if one is opened and she suggests that provision should be made for three classes of students, viz.; (1) Christians including Tiyyas (2) Mairs and (3) Mappillas. Judging from the number of admissions into the school in previous years it is expected that about 54 students of the first and second years would join the hostel, and of them 44 will be Christians including Tiyyas, 8 Mairs and 2 Mappillas.

In these circumstances the Inspectress requests sanction for the opening of a hostel for the boarding of the students under training in the school and to secure the only suitable house which is available for the purpose and is situated in the school compound for which a rent of Rs.35 is demanded by the owner.

The employment of a matron who will for the present be a trained teacher on the staff of the school and who will be able to exercise a wholesome influence over the inmates of the hostel, as also that of a nightwatchman and a sweeper is considered necessary. The allowance to the matron including the wages of servants is fixed at Rs.30 per mensem which is the rate allowed to the matron of the hostel attached to the Government Training school for mistresses, Cuddalore (Vide G.O.No.1466 Home (Education) dated 19th November 1917). The wages of the cooks and the other charges will be met from the boarding fees of the students.

I consider the proposal to be reasonable more especially as the opening of the hostel will render the payment of guardian allowances to students who are eligible for them unnecessary. The Inspectress reports that of the 27 second year students who were admitted in July 1916, six are eligible for guardian

allowance and that of the 27 students admitted in July 1917 thirteen are eligible for the allowance.

The charge can therefore be met from the savings available in the provision made for stipends in the budget estimate of the school..

I have the honour to be,

Sir,

Your most obedient servant,

G. B. S. S. S.

For Director of Public Instruction.
