Sir,

With reference to G.O.No. 754 Edl., dated 13th November 1907, I have the honour to state that only one candidate, viz., R.D.H. Bower has applied for the Government of India State scholarship for 1918 for male members of the domiciled community educated in India. I submit herewith his application together with its enclosures. His age on the 31st March 1918 was 18 years and 3 months. He passed the European High School Examination in 1915 and has appeared for the Intermediate Examination held in March 1918. He wishes to enter the University of London and to study

for the B.Sc. I have seen him and his appearance and manners impressed me very favourably and I think that he would be able to live comfortably in England and derive very real benefit from a University course. I beg therefore, to recommend his nomination.
