I have the honor to inform you that a Board School was established in Mangampet a village in Rajampet Taluk having a population of 658. This village has very few villages surround-
-ing it. The Board School has been working in that village with a nominal strength. The School has been tried under different teachers but no signs of improvement can be seen. It has no ~~proper~~ ^{proper} building owned by local fund. The average strength and attendance for the last 6 months are 15 and 12 respectively. I therefore have the honor to recommend that the Board School at Mangampet may conveni-
-ently be transferred to Pedda Gramped a village in the same Taluk with a population of 3294. The aided School in the latter village is of a bogus nature.

and nil grants were passed for it and the School rejected from aid for the coming year.

Pedda Brampad is a big village — surrounded by a great number of hamlets at short distances. The strength of the Board School if established there will in all probability rise to 50 or 60 within a short period. The Tahsildar has secured a suitable building at Pedda-Brampad for the location of the Board School on a rent of Rs 1/-. The residents of the village are very eager to have a Board School in their village. The late teacher manager has also given his letter of Consent for the opening of a Board School in the village. In the light of the above facts, I have the honor to request that you will be good enough to address the President, Rajampet Taluk Board, Nandabur on the subject.

2/- The village officers statements

and the letter of Consent of the late teacher manager are herewith submitted for favour of perusal and return when no longer required.

R.C 91/81 of 18. dated 13.3.18.

Submitted to the Inspector of Schools Bellary;

2/- The Board School at Mangampet in Rajampet Taluk, opened out of the Provincial Subsidy is not working satisfactorily and the continuance of it in the present locality is only a waste of funds. It is therefore recommended that the President, Taluk Board, Nandabur, may be addressed to order the transfer of the School to Pedda Brampad which is a big village having a population of 3294 and where the School can thrive well. The Tahsildar of Rajampet also recommends
