The pay of the warden & the present
book value of the warden's quarters are not
known. I draft memo calling for a data
statement to be submitted.

The cement floor is said to
be in good order but is
"too chill" to be used. ~~Some~~ Indian
houses which have cement floors
are generally used without any
rattan mats on them & it is a question
whether the proposal is not a luxury. The
Adm. Dept. however approve of the
proposal.

The total cost of the building including the improvements in question is Rs 2381. The limit of expenditure calculated on the basis of 10 p.c. of the salary of the occupant (Rs. 100) is exceeded but the Local Govt have power to sanction the expenditure as the appointment carries with it a salary of less than Rs 500. A draft order approving the expenditure is submitted which may be sent to the Financial for acceptance.

The cement floor is said to be in good order but is a small point, but I submit to C.S. as I doubt whether it is necessary to incur this expense. This is to keep out the 'chill' of a cement floor in Madras.

It seems to me unnecessary. C.S.
Not accept.
