To The Secretary to the Government of Madras,

Home (Education) Department

Sir,

In continuation of my letter R.C.No. 2080 of 14, dated 21st January 1918 and with reference to G.O.No. 211 Home (Education) dated 20th February 1918 approving the revised estimate of the boarding house attached to the S.P.G. Girls' Higher Elementary school, Nandyal, I have the honour to submit herewith a copy of the letter dated 7th March 1918 of the Correspondent requesting sanction of additional grant for the excess expenditure involved by the revision. The total cost of the revised estimate as approved by the Chief Engineer comes to Rs.26,000 against the original estimate amount of Rs.19,700/-, thus involving an additional expenditure of Rs.6,300/-. I recommend that as a special case an

additional grant equal to two thirds of this extra cost, viz., Rs.4,200/- may be sanctioned, to be paid when funds become available. The original grant sanctioned was two thirds of the total cost.

I have the honour to be,

Sir,

Your most obedient servant,

R. Narine.

for Director of Public Instruction.

Copy of letter dated 7th March 1918, from the Correspondent S.P.G. Mission, Nandyal, R.S.

I have the honour to acknowledge the receipt of plans and estimates for the boarding house in connection with the new Girls' School at Nandyal.

I note that the Revised estimates have been sanctioned but that no extra grant has been made to meet the enhanced cost. I therefore venture to urge you to give extra financial help to meet the increased estimate.

I have a sum of nearly Rs.17,000 with which to meet your grants. Of this Rs.8,900/- must go to meet the half grant of Rs.8,900 for the school house. This leaves me with a balance of Rs.8,100. In your original grant you generously gave a two thirds grant of Rs.12,700 on the original estimate, which enabled me to meet the remaining third and keep a small balance for inevitable contingencies, furnishing of the school etc. The revised estimate leaves me with a deficit of Rs.6,000. My society is quite unable to give extra grants during the financial strain of the war, and I do not know how to supply the deficit. I hope most earnestly that this request will meet with your most kind consideration.

Attention is solicited to page 3 of notes to G.O. 274 Educ & 12.3.15. wherein this dept. agreed to a grant of Rs. 12,700, against the estimated cost of Rs. 19,700, for a building for the boarding house attached to the S.P.G. Girls' Higher Elementary School, Nandyal. The usual rule is to sanction a half grant in these cases, but in view of the fact that the S.P.G. was able to spare only a sum of Rs. 7,000 for this building, the Govt. agreed to a grant of Rs. 12,700 as a special case.

A revised estimate amounting to Rs. 26,000 was sanctioned in G.O. 211 Home (Educ) & 20.2.18, but it was not sent to Encl. for acceptance. It seems now too late to suggest any economies in the estimate. The S.P.G. mission apply for an

additional grant of Rs. 4,200 representing two-thirds of the excess cost and the D.P.D. recommends the grant. The Mission states that the Society is unable to give any grants in the present financial strain of the war. Orders are solicited whether the additional grant of Rs. 4,200 may be accepted, as a special case, to be paid when funds are available.

The draft doesn't say this though the D.P.D. does. He may agree provided D.P.D. can find the money.

A in the Financial Deptt note above.

It was hardly necessary to have sent the revised estimate to Financial. For, it has been approved by PWD and the Govt do not ordinarily force private managers to revise the plans and estimates as the Govt please. It is not (or not to give at all) that the Govt. do is to give any grant. They tolerate it is not even now too late to do this and there is no reason to regret that

that the revised plans and estimates were not sent to
Financial. The grant is entirely in the discretion of Govt.
and managers cannot claim it as a matter of right.
~~Application for grant was then made~~
2. B is the Fin Dept note.

The draft order merely increases the
amount of the grant already sanctioned. The amount
of grant is governed by the terms of G.O. No. 274 of 12-3-15, one of which is that the grant will be
paid as funds become available. It is unnecessary
to repeat it in the present draft order also.

3. The O.D. will no doubt be able to find the
additional sum from the provision under "building
grant" in the C.B. & for 1918-19. Submitted that
the draft order which has been accepted by Finl
may issue.
