To

The Chief Secretary to Government,

Educaional Department
Madras.

The humble appeal petition of

R. Chakrapani Iyengar, B.A., Sub-protem
Chemistry Assistant, Government Leather
Trades School, Washermenpet.

Sir,

I most humbly beg to submit for favour of kind consideration
that

1. I was appointed to the present place in September 1916 on
a salary of Rs.75-5-100/-.

2. I accepted the place on the assurance of Dr. Marsden, then
acting for the Director of Industries, that he would recommend
to the Government and get the maximum salary sanctioned for me
as soon as the war should be over, and that there was a greater
security of tenure in Government service, besides prospects of
promotion and increase of salary.

3. On the strength of the assurance, and of the hopes which
the previous officer in charge of the school, Mr. Raghava Kurup,
Assistant Leather Expert, held out by way of increase of salary,
I refused to accept the offer of the sinecure Chemistry Assistant's
place in the Pennathoor High School, Mylapore, which carried even
a higher salary with it, and went on with my daily routine of work
in the school, giving every satisfaction to the superiors on the
spot and working for more hours than in Art Schools, i.e. from
8 A.M. to 4 P.M. as in factory schools, instead of from 10 A.M. to
4 P.M.

4. All of a sudden, on the 1st of this month I received an order from the present Director of Industries that my services would not be required after the end of this term, and that I would be retained in service till the school should close for the summer vacation on the 1st April, *or about that.*

5. I beg to submit humbly that it is a heavy infliction and hardship to be thus severely deprived of the benefits and emoluments due for the vacation period which I have earned through a long year's course of hard work performed from first to last, and to be thus left to drift, like a wreck, at this extreme far-end of the working season, when teaching work proper is over in every school and college, when the public examinations are already going on, and the annual form examinations¹⁷⁰ are shortly to begin, and therefore, when there is not even a remote chance for me to get any job in an Arts school till July or even August.

While the newly appointed incumbent (4th March) ~~will~~ who is yet to begin teaching work, will draw the salary for the vacation and enjoy ^{the} benefit of the rest thrust upon him.

6. I pray therefore that in consideration of this sudden disappointment in spite of my ~~earnest~~ honest, earnest discharge of duty, of the untimely, unseasonal character of the order to quit at short notice the place I hold at present, and my eligibility for ~~the~~ privilege leave too for nearly two months for the nineteen months of my service, I may be granted the benefit of the rest and the emoluments for the vacation period, like the other members on the staff of the school.

I most humbly beg to remain,
Sir,
your most obedient and humble servant,

Madras,
27th March 1918.

Submitted to Government for orders with reference to

Endorsement No. 912-A-1 dated 6-4-1918.

2. I attach a copy of the order appealed against.
3. The appellant was Chemistry Assistant (temporary) at the Leather Trades School. He was appointed in August 1916. His previous history is that for 27 years he was Science Master in the Pudukotta College from which appointment he retired in July 15. He was not much use in the Leather Trades School being old and out of date. His work has been extraordinarily light for the last year. The school has been run since June last more as a Tannery than a school. Lectures were cut down to a minimum, and this old man was of no use in exercising a chemical check over the work of the tannery. Accordingly when Mr. Srinivasam was appointed in February last, I ^{gave} him a month's notice.
4. I do not consider that he had earned a vacation and moreover I wanted the pay of his post for I had an idea of taking on one Gersham, a student who has just passed out, to assist Mr. Naidu in our experiments which are going on through the vacation. But this place fell through for Gersham has got a job in Messrs. David Sasson's new tannery at Calcutta. So the money is available if Government want to be charitable to the old man. I regard it as mere charity to allow the appellant to draw pay during the vacation - unless indeed he was entitled to more than a month's notice. His appointment from the first was purely temporary.

on Rs 75-5-100 M.R. Ry R. Chakrapani Ayyangar has till recently been employed on a temporary footing. As he is too old and not suited for the work in the School Mr. Jones recently decided to dispense with his services with effect from the date of closing of the school for the summer vacation. Mr. Chakrapani Ayyangar requests that he may be permitted to leave the school after the vacation so that he may draw pay for the vacation period. There appears to be no objection to his request being complied with ^{but} ~~provided~~ he may ^{perform} ~~perform~~ his duty on the date of reopening of the school, ^{at least for one day} but his services have not been suddenly dispensed with and he has had the usual notice of one month which is allowed in the case of officers on temporary service. It is therefore for orders whether his request should be complied with. Attention is directed to Mr. Jones' order on page 4 of CF.
