Sir,

In their order No. 1103 Edl. dated 4th October 1915, Government were pleased to sanction among other proposals the payment of an allowance of Rs.25 per mensem to the Telugu teacher in the Queen Mary's College for women, Madras, for the reason that his work along with that of the other part time officers on the staff had increased.

A V. Narasimham Pantulu the telugu teacher has submitted a petition in which he states that he is now doing 8 hours work a week in the Intermediate classes -- Telugu composition --

Translation) Text and Grammar and that his work does not in any way differ from that of the ~~present~~ permanent pandits in second grade colleges who start on a minimum salary of Rs.40 per mensem and he requests that in consideration of the fact that he has no teaching work elsewhere and ^{is} consequently devoid of any other income, he may be given an increased allowance especially in view of the high prices now prevailing.

Mis. delaHey recommends the increase and states that Narasimham Pantulu is a conscientious teacher and that his pupils have done well.

The argument that the Pandit has no other work is hardly sound as he has not been debarred from taking up other jobs, but as the sanctioned rate of allowance is rather poor ~~for~~ a college Pandit and the Principal has borne testimony to his good work, I have the honour to recommend that Government be pleased to increase the allowance of the teacher from Rs.25 to at least Rs.30 per mensem with effect from 1st July 1918 pending the decision of the Government of India on the question of the permanent retention of the college.

2. The extra charge during the current year will amount to Rs.40 for meeting which I shall submit a reappropriation statement on receipt of the final issue of the Civil Budget Estimate.

I have the honour to be,

Sir,

Your most obedient servant,

G. V. S.

for Director of Public Instruction.
