Sir,

In G.O.No. 272 Edl., dated 15th March 1916, a grant of Rs.16,500/- was sanctioned towards the cost of constructing a hostel for the National High School, Trichinopoly. On account of the increased cost of certain materials, the Correspondent has submitted the enclosed revised estimate approved by the Executive Engineer, Trichinopoly Division, and requests sanction of additional grant on the excess cost involved, vide his letter dated 18th March 1918 (copy enclosed). The total cost according to the revised estimate comes to Rs.36,000 against the original estimate amount of Rs.3,300/-, thus involving an additional expenditure of Rs.3,000/-. I have the honour to recommend

that an additional grant of Rs.1,500/- may be sanctioned and that the proposal to substitute teak beams for steel beams may also be approved.

I have the honour to be,

The estimates had to be accordingly revised with reference to the current price of teak wood and the revised estimates amounting to Rs.36,000 have been approved by the Executive Engineer, Trichinopoly Division, whose letter No. 1795 dated 6th March 1918, is herewith forwarded to you.

I have the honour, therefore, to request that a half grant of Rs.1,500 on the increased cost of Rs.3,000 may be sanctioned in addition to Rs.15,500 already sanctioned.
