Copy of a letter No. 783, dated the 9th April
1918, from the Director General of Archaeology in
India, to the Secretary to the Government of
India, Department of Education.

I find that during my deputation to Kashmir
last year the office photographer did not prepare
the usual sets of prints for the India Office,
Indian Museum and my own office. In view of the
present excessive heavy cost of photographic
materials I have the honour to propose that the
preparation of these and all other prints for the
Indian Museum and India Office may be deferred
until the end of the war.
