Station Madras, Dated the 18th April 1918. 191

From (Name) G. S. White, Esquire (Solicitor).

(Designation) Deputy Registrar, High Court.

To The Secretary to the Government of Madras,
Home (Education). Department.

Hon'ble Sir,

I am directed to forward for the orders of His Excellency the Governor in Council a memorial dated the 26th March 1918 from V. Abu Bucker, Assistant Superintendent of copyists of the District Court of South Malabar for permanent exemption from passing the Civil Judicial Test.

A copy of a letter No.2702 dated the 5th April 1918 from the District Judge of South Malabar forwarding and recommending the memorial is also enclosed.

I have the honour to be,
Hon'ble Sir,
Your most obedient servant,

White

Deputy Registrar.

P.S.

Copy of letter No.2702, dated the 5th April 1918, from
the District Judge of South Malabar.

I have the honour to forward herewith a petition from
V. Abu Bucker, Assistant Superintendent of Copyists of this
Court for exemption from passing the Civil Judicial Test.

His real trouble is that he cannot now act as Head Clerk
of a Munsif's Court. It is advisable to have a Muhammadan
at hand who can be put into a place where the Hindus have
grown too closely inter-connected and I therefore beg to
recommend the exemption applied for.

P.S.

N.V

To

His Excellency the Governor-in-Council,

Fort St. George, M A D R A S.

Thro'

The District & Sessions Judge,

South Malabar, C A L I C U T.

The most humble memorial of V. Abu Bucker,
Assistant Superintendent of Copyists, District Court,
South Malabar, Calicut,

Respectfully Showeth,

Memorialist humbly submits the following facts and
circumstances for your Excellency's most benign and
sympathetic consideration:--

Memorialist is at present holding the acting appoint-
ment of Assistant Superintendent of Copyists in the Dis-
trict Court of South Malabar, though his permanent appoint-
ment, is that of the Third Clerk of the Principal District
Munsif's Court, Tirur on a pay of Rs.20. Memorialist entered
the Civil Department about eighteen years ago. He has worked
in all the several branches of the Civil works, such as
Small Causes and Original Suite Bench Clerk, Petition Clerk
and Deputy Nazar. He has, on several occasions, done even
the duties of the Head Clerk of the various District Munsif's
Courts during the absence of the permanent incumbents on
casual leave. He has thereby acquired an intimate knowledge
of the routine and other functions and responsibilities of
the Subordinate staff of virtually every branch of the Civil
works and has accumulated a useful fund of departmental
experience, which has enabled him to acquit himself to the
entire satisfaction of his superiors in every post to which
he has been attached, as will be evident from copies of
testimonials herein respectfully enclosed.

In spite, however, of his relatively long service considerable experience and practical efficiency, Memorialist cannot hope for advancement owing to the fact that, while promotion in this department is generally sluggish for a variety of reasons it is particularly shut against him since he has not passed the ^{Civil} Judicial Test, in the absence of which qualification, promotion must depend entirely on a special concession.

Memorialist belongs to the admittedly backward Mopla Community. This community is educationally deficient and backward all over Malabar, but moreso in the South of the District to which Memorialist himself happens to belong. During Memorialist's school age, education was very much more backward but for all that Memorialist succeeded in studying up to Upper Secondary Standard. He belongs to a respectable family, but partly owing to inadequate means and, in part, to the ideas generally prevalent about the benefits of higher education, Memorialist was precluded against his own personal inclination from prosecuting his studies further. He is one of the very few members of his community in the Civil Department, while he believes that he is the only Mopla in this department who is possessed of Upper Secondary Examination qualification.

Memorialist is grateful to think that he has all along been treated with equitable sympathy by his departmental superiors, but unfortunately, he cannot hope for permanent promotion at their hands, so long as he is without ^{Civil} Judicial Test qualification or without exemption from the passing of the Test. By reason of the heavy duties he has had to perform throughout his service, as well as owing to the cares of a large family, Memorialist has not found

found it feasible to study and appear for this test. Exemption from the passing of various Tests, he believes has not uncommonly been extended to other deserving subordinates, even to those who could not claim to belong like Your Excellency's humble Memorialist to an educationally backward section of the population. In the event of his not being so fortunate as to secure an exemption, Memorialist will find his future prospects very sadly restricted, notwithstanding his being practically qualified in point of efficiency and experience for a higher status and better emoluments than he now enjoys.

The benign Government has always been graciously sympathetic towards the poor community to which Memorialist belongs, and the knowledge of this emboldens, Your Excellency's humble Memorialist to pray earnestly and respectfully, that in consideration of his loyal and faithful service of more than 18 years and of the fact that his circumstances stand in the way of his studying and passing the ^{Civil} Judicial Test he may be most graciously given the benefit of exemption from this Test, in view to his prospects being thereby made somewhat brighter and more encouraging, and for the benevolence and goodness he seeks, Your Excellency's most humble Memorialist shall, as in duty bound,

Subject:- Exemption from passing the Civil Judicial test.

It is not very clear from the application that the candidate is a member of the Bar or otherwise qualified under Act. of the Public Service Notes and, if so, whether he made any earnest effort to pass the Civil Judicial test. It is however known - present that the clerk has put in 18 years' service, and yet has not been able to attain a

p. M. The ground on which the Dr. Judge recommends the clerk's exemption from the Civil Judicial test is the desirability of having a Muhammadan at hand who could be promoted in the event of any vacancies arising in a place where the Muslims have grown too closely inter-commingled. The application may be referred to
