G.O. No. 1299, Home (Education), dated the 18th October 1917.

II

Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.E.S., C.I.E., Director of Public Instruction.

To—the Secretary to Government, Home (Education) Department.

Dated—Madras, the 19th March 1918.

No.—R.C. 7551/17.

In their Order No. 744, Home (Education), dated 7th June 1917, Government approved of my proposal to open as a temporary measure a Muhammadan girls' school at Perambur; but they declined to sanction the employment of a peon which was proposed at the instance of the Inspectress. She has since represented to me that the appointment of a peon is essential on the ground that the teachers observe gosha, that they cannot therefore go to the Accountant-General's office to cash the pay, contingent and travelling allowance bills of the school and that the conductress could not be entrusted with the encashment of bills. In the above circumstances and in view of the fact that Madras is a city of distances, and that in the interests of the school it is not desirable that teachers should be absent from school in order to encash bills, I consider that it is imperative that some arrangement should be made for such encashment and accordingly beg to request that Government will be pleased to authorize the Accountant-General to remit the amount of the bills in question, which will be sent to him by post, by money order and to treat the money order commission as a contingent charge on the school. A similar concession has been granted in G.O. No. 1299, Home (Education), dated 18th October 1917, to certain other Government girls' schools in the Presidency and to the list printed in that Government Order may now be ordered to be added the Government Mappilla girls' school, Chériyam, in the Walluvanad taluk (Malabar district), which the Inspectress of Girls' Schools, Southern Circle, by an oversight, failed to include in the original list.

Mylapore.	Periamet.
Royapetta.	Pudupet.
Thousand Lights.	Muttialpet.
Chetti's Gardens.	Washermanpet.
Chepauk.	Perambur.
Purnabagh.	

2. For similar reasons I also request that this concession may be extended to the marginally-noted Muhammadan elementary schools for boys in the Madras city.

3. I beg also to take the present opportunity of requesting Government to include travelling allowance bills in the

list of bills which may be sent by post and for the encashment of which expenditure on money order commission may be incurred from the contingent allotment of the schools concerned.

Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., C.I.E., Director of Public Instruction.

To—the Secretary to Government, Home (Education) Department.

Dated—the 5th April 1918.

No.—Ref. on Car. 2939.

In continuation of my letter R.C. No. 7551/17, dated 19th March 1918, recommending the inclusion of travelling allowance bills in the list of bills which may be sent by post to the treasury and for the encashment of which expenditure on money order commission may be incurred from the contingent allotment of the schools concerned, I have the honour to state that the Inspectress of Girls' Schools, Northern Circle, made a reference to the Accountant-General enquiring whether the amount of capitation allowance bills of certain Government girls' schools situated in stations far away from taluk headquarters might be remitted by money order at the expense of the schools concerned. The Accountant-General, in reply, stated that there was no objection to the same course being followed for capitation allowance and scholarship bills as in the case of pay and contingent bills. I accordingly beg to request that Government will be pleased to authorize the Accountant-General to remit by money order the amounts of the capitation allowance and scholarship bills of the institutions included in G.O. No. 1299, Home (Education), dated 18th October 1917, and this office letter referred to above, the money order commission being treated as a contingent charge on the school concerned.

Endorsement No. 777/B-1, Home (Education), dated the 10th April 1918.

Referred to the Accountant-General for remarks, in continuation of endorsement No. 628/B-1, dated the 23rd March 1918.

Letter—from A. NEWMARCH, Esq., Accountant-General, Madras.

To—the Secretary to Government, Home (Education) Department.

Dated—the 22nd April 1918.

No.—T.M. 26-10/1956.

In returning herewith letter No. 7551/17, dated the 19th March 1918, from the Director of Public Instruction referred to me for remarks with Government endorsement No. 628/B-1, dated the 23rd March 1918, I have the honour to state that the proposal of the Director, viz., that this office should remit by money order the amounts of bills of the Muhammadan elementary schools in Madras, is not in accordance with the arrangements in force in this office, as described in rule 1 under article 1024 of the Civil Account Code, under which bills for pre-audit and payment are received at the counter and paid by cheque or cash to the individuals who return the tokens given in exchange for the bills. Bills of which payment is required at this office, if sent by post, may get mixed up with bills received in this office after payment at the district treasuries, and there would be some risk of payments on

them being unduly delayed. The acceptance of the proposal would be very inconvenient, as the establishment in this office which deals with cash is very limited, the cash transactions of the Madras treasury being conducted by the Bank of Madras, which is situated at a considerable distance from my office. Under the circumstances, I would suggest that the Sub-Assistant Inspectors of Schools, under whose control the elementary schools (boys and girls) are, and who countersign the bills of these schools before payment, should themselves cash the bills at the counter of this office and arrange to send the money to the schools concerned. I see no objection to the proposal of the Director in paragraph 3 of his letter to extend the concession of remitting the amounts of bills by money order not only to travelling allowance bills but to the bills for capitation allowance also.

VII

Letter—from A. NEWMARCH, Esq., Accountant-General, Madras.

To—the Secretary to Government, Home (Education) Department.

Dated—the 23rd April 1918.

No.—T.M. 26-10/1143.

In continuation of my letter No. T.M. 26-10/1056, dated the 22nd April 1918, I have the honour to return herewith letter No. 2939, dated the 5th April 1918, from the Director of Public Instruction forwarded with your endorsement No. 777/B-1, dated the 10th April 1918, and to state that, as already reported by me, there is no audit objection to the proposal of the Director of Public Instruction to remit by money order the amount of capitation allowance and scholarship bills also at the expense of the schools referred to in G.O. No. 1299, Home (Education), dated the 18th October 1917.

Order—No. 622, Home (Education), dated 14th May 1918.

For the reasons given by the Accountant-General in his letter, dated the 22nd April 1918, read above, the Government are unable to accept the proposal of the Director of Public Instruction to authorize the Accountant-General to remit the amount of the pay, contingent and travelling allowance bills of the Muhammadan elementary schools in the Madras city by money order. The Sub-Assistant Inspector of Schools concerned should himself cash the bills of the schools under his control and arrange to send the money to the schools.

2. The Government Mappilla girls' school, Cheriya, in the Walluvanad taluk, will be added to the list of schools in the Malabar district, printed on page 3 of G.O. No. 1299, Home (Education), dated the 18th October 1917.

3. The concession of remitting the amounts of pay and contingent bills by money order at the expense of the schools referred to in G.O. No. 1299, Home (Education), dated the 18th October 1917, as modified by paragraph 2 supra, is extended to travelling allowance, capitation allowance and scholarship bills of those institutions.
