From (Name) The Honr. J. H. Stone, M.A., F.R.E.S., C.I.E.,
(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,
Home (Education) Department.

Sir,

In submitting herewith a copy of letter No. 57, dated 21st November 1917 of the Correspondent, Tirthapathi High School, Ambasamudram, Tinnevely District, I have the honour to state that the school stands in need of an adequate playground and that with a view to providing this it is proposed to acquire the sites marked S.No. 354, a portion of S.No. 585 and a portion of S.No. 353 in the enclosed plan and measuring 15.95 acres in all. The attempts made by the management to purchase them by private negotiations proved futile. I therefore recommend that they may be acquired under

3 1 C 21/8 CC
under the Land Acquisition Act and that a grant not exceeding one half of the total cost of acquisition may also be sanctioned.

I have the honour to be,

Sir,

Your most obedient servant,

Endorsement No.1703 B-1, dated the 5th January 1918.

Referred to the Collector of Tinnevely for remarks as to

- (1) what the objections of the owners of the site under reference are and how far they are valid,
(2) what, if any, are the difficulties that stand in the way of private purchase, and
(3) whether a valid and clear title to the property cannot be secured by the management of the school otherwise than through the application of the Land Acquisition Act.

11 JAN 1918
Received from the Correspondent, Thirupathi High School, Amba-samudram, to the Director of Public Instruction, Madras, through the Inspector of Schools, 7th Circle, Madras, No. 57, dated 21st November 1917.

I have the honour to request under the provisions of section 4 of Act No. 1 of 1894 (Land Acquisition Act) the acquirement of land measuring about 15.95 acres as described in the schedule attached, to use as a playground for this school.

The Inspector of schools in the Inspection report for 1910-11 remarked "No proper playground is at present available;" again in the report for 1916-17 "Perhaps the only need is an adequate playground." The available space in the school compound is just sufficient for two tennis courts and two badminton courts and no game as cricket or football is played; nor there is ground enough for drill and the pupils have very little of physical exercises. With a view to remedy this defect the management opened negotiations on several occasions during the last two years to purchase or take on lease a portion of the dry lands mentioned in the schedule, lying quite contiguous to the school grounds on the north; but the owner has failed to complete the negotiations and hence this application for the acquisition of the land.

The management undertakes to pay compensation, and begs to be permitted to apply for a grant towards the cost of the land under Article 50 of the Grant-in-aid Code immediately after the amount of compensation is fixed. A plan of the land to be acquired is submitted herewith.

I was present when you inspected my lands in company with the Head Master of the High School in connection with providing a play ground for the use of the Ambasamudram Tirthapathi High School. I find on going round the lands that the plot required for the play ground covers about 15 acres in Survey Nos. 352, 353, 354, 355, 356, 351.
